The Minimum Income Program, adopted by the 1964 Annual Con-

ference and amended by the 1965 Conference, shall be further amended to read as follows:

A Minimum Income Program shall be adopted by the Kentucky Conference of The Methodist Church, for all full Conference Members, including Probationers, who are serving full-time Pastorates.

The minimum income, consisting of Basic Salary plus any National Board Appropriation and other extra remuneration, shall be \$4,500.00 with a maximum payment of \$3,500.00 for a pastor serving a new congregation in the Conference, which congregation shall have been established in the priority list submitted by the Board of Missions and approved by the Conference. For pastors serving other Churches or Charges, the maximum payment shall be \$1,500.00, or such larger amount as may be authorized by the Board of Missions, or the Executive Committee; but in no instance shall the total income, plus any National Board appropriation be in excess of \$4,500.00, except as provided in the following paragraph:

The amended program shall be effective as of June 1, 1966, and shall be set up on a four year basis; each year there shall be a reduction of 25% of the original Mission Board appropriation, which reduction shall be absorbed by the local Church, or Charge. Failure to absorb such reduction shall not increase the obligation of the Mission Board under the program. Conference Members enrolled under this program shall, after the first year, be entitled to an additional payment equal to the increase in Basic Salary made by the local Church, or Charge, not to exceed \$200.00. Any increase greater than the 25% reduction shall not affect the Mission Board payment, except as provided under the paragraph "Maximum Increase" as set forth below.

When a change in pastors occurs the plan for that particular Church, or Charge, shall be re-calculated for another four-year period. A re-calculation shall also be made if the pastor serving beyond the four-year period is still receiving Total Income of less than \$4,500.00. Should a change occur during the Conference Year the new appointee, provided he qualifies under the program, shall be treated as though the appointment were made at the beginning of the Conference Year. Payments under this program shall be on a monthly basis.

MAXIMUM INCREASE. In such cases where the Total Income, including the Mission Board aid and the National Board payments, exceeds the previous year by more than \$500.00 the payment by the Board shall be reduced by such excess. But in no event shall there be any reduction in the allotments made by the National Board of Missions.

INCOME as used above shall be defined to mean the basic salary plus such extra remuneration as may be paid, such as assistance from other Churches, Expense Allowance, Auto Expense, Utilities, etc. In the case of Utilities the figure to be used is the amount paid by the Church, or if the amount varies from month to month use the total amount paid the previous year, taken to the next lower \$50.00. In such situations where there is no separate meter the District Superintendent shall set the amount after consultation with the Pastor and the Church Treasurer, or other officer of the Official Board. Excluded from income shall be fees for weddings, funerals, bona-fide gifts, or any amount paid under unusual circumstances, such as flood relief, etc.

There shall be no exceptions to the foregoing, except as duly authorized by the Board of Missions, or the Executive Committee, under unusual circumstances. (See Amendment below.)

AMENDMENT

The Minimum Income Program for FULL-TIME MINISTERS shall be as provided in the amended Program adopted by the 1966 Annual Conference, with the following exception:

Conference Members enrolled under this Program shall, after the first year, be entitled to an additional payment equal to the increase in Income, including such Expense Allowance, Travel Expense, Utilities, Auto Expense, etc., which does not exceed 20% of the Basic Salary. There shall be no limit to this "matching" part of the Program, except as provided under the paragraph MAXIMUM INCREASE as it appears in the amended Program adopted by the 1966 Annual Conference.

A Minimum Income Program shall be adopted for FULL-TIME APPROVED SUPPLIES similar to the Program for Full-time ministers, with the following exceptions:

(a) The Program shall include all Churches, or Charges, served by Full-Time Approved Supplies, provided the Local Church, or Charge, is paying Total Income of not less than \$2,500.00.

(b) Those Churches, or Charges, whose Full-time Approved Supplies are now receiving Total Income, including Conference Mission aid, in excess of the Minimum shall have the privilege of continuing as at present, subject, however, to approval at the end of the Conference Year, and annually thereafter, by the Mission Board.

A. RESOLUTIONS

RESOLUTION No. 1

PROPOSED CONSTITUTION OF THE UNITED METHODIST CHURCH AND ENABLING LEGISLATION

WHEREAS the 1966 adjourned session of the 1964 General Conference did, by a vote of 749 in favor and 40 opposed, approve the Proposed Constitution of The United Methodist Church and Enabling Legislation, and

Whereas in accordance with Paragraph 10 of the 1964 *Discipline* of The Methodist Church, said General Conference has submitted the Proposed Constitution of The United Methodist Church and Enabling Legislation to the Annual Conferences for approval.

Therefore, Be It Resolved That Kentucky Annual Conference in session at Richmond on June 9, 1971 does hereby approve the Proposed Constitution of The United Methodist Church and Enabling Legislation.

RUSSELL R. PATTON

RESOLUTION No. 2

FOR THE ELIMINATION OF RACIAL STRUCTURE AND THE DEVELOPMENT OF GREATER UNDERSTANDING AND BROTHERHOOD IN THE METHODIST CHURCH

As amended and adopted by the General Conference of
The Methodist Church in its special session November 10, 1966
Chicago, Illinois

*Presented to the Annual Conferences of The Methodist Church
for consideration and vote in their 1967 Annual sessions.*

1. By the adoption of this Resolution each Annual Conference, each Jurisdictional Conference, the General Conference, each College of Bishops and the Council of Bishops pledge their best efforts to eliminate as soon as possible all forms of racial structure from the organization of The Methodist Church, and further pledge to do everything possible to develop greater understanding and brotherhood in all aspects of church life and work.

2. Each Annual Conference and Jurisdictional Conference which has been part of a merger of churches or Conferences formerly separated by racial distinctions pledges its best efforts to work out all remaining adjustments, to use the ability of both clergy and laymen wherever they can be most effective in the work of the Church, and to serve all people without regard to race.

Where such mergers have not yet been realized, each such Conference expresses its earnest determination to work toward such merger at the earliest possible date and hereby pledges to establish a Committee on Inter-Conference Relations composed of an equal number of ministers, laymen and youth to implement the recommendations and resolutions of this report and recommendation of the Plan of Action for the elimination of the Central Jurisdiction adopted by the 1964 General Conference and that each board and agency of the Church be alert for opportunities to assist each Committee in every possible way.

3. Whenever such mergers hereafter take place the continuing Annual Conference will:

a. Accept into its membership, with all the same rights, privileges, status and obligations, all ministerial members (whether on trial or in full connection) appointed to charges located geographically within the continuing Conference, and all ministerial members under special appointment or retired ministerial members who hold Quarterly Conference membership in a local church located geographically within the boundaries of the continuing Conference.

b. Insofar as possible, the ministerial and lay persons now serving on boards and agencies of both of the merging Conferences shall serve during the current quadren-

nium on like or similar boards and agencies of the continuing Conference, and thereafter membership in all such Conference boards and agencies shall be open to all persons on the basis of their qualifications without regard to race. In the event any Disciplinary provision limiting the number of members of a board or agency should prevent the continuation of all members during the current quadrennium, the Cabinet shall determine which members shall continue, in the spirit of this Resolution, being careful to provide for a continuing representation of both of the former Conferences.

c. Within the boundaries of such a continuing Conference opportunities for spiritual and intellectual growth in Christian service shall be made available to all without regard to race or color. Such equal opportunities shall be provided particularly in such aspects of Conference programs as activities of the Woman's Society of Christian Service, Wesleyan Service Guild, youth work, leadership training enterprises and the Board of Lay Activities.

4. Upon the adoption of this Resolution by the requisite vote in the North Carolina-Virginia Conference, each of the Western North Carolina, North Carolina and Virginia Conferences, all of the Annual Conferences of the Central Jurisdiction and all of the Conferences of the Southeastern Jurisdiction, the North Carolina-Virginia Annual Conference will be dissolved. Each church formerly part of the North Carolina-Virginia Conference shall thereupon be merged with and become part of the other of said Annual Conferences within the geographic bounds of which it is located.

5. Upon the adoption of this Resolution by the requisite vote in the Tennessee-Kentucky Conference, in each of the Holston, Tennessee, Memphis, Kentucky and Louisville Annual Conferences of the Southeastern Jurisdiction, in all of the Annual Conferences of the Central Jurisdiction and in all of the Conferences of the Southeastern Jurisdiction, the Tennessee-Kentucky Annual Conference will be dissolved. Each church formerly part of the Tennessee-Kentucky Conference shall thereupon be merged with and become part of the other of said Annual Conferences within the geographic bounds of which it is located.

6. Upon the adoption of this Resolution by a 2/3rds vote of those present and voting in each of the Louisiana, Southwest, Texas and West Texas Conferences of the Central Jurisdiction, in all of the Annual Conferences of the Central Jurisdiction, and in all the Annual Conferences of the South Central Jurisdiction, the bishop formerly serving the Southwestern Area of the Central Jurisdiction shall be transferred to the South Central Jurisdiction for residential and presidential service, and the Louisiana, Southwest, Texas and West Texas Conferences formerly part of the Central Jurisdiction will be Conferences of the South Central Jurisdiction.

7. Upon the adoption of this Resolution by a 2/3rds vote of those present and voting in each of the Central Alabama, Florida, Georgia, Mississippi, Upper Mississippi and South Carolina Conferences of the Central Jurisdiction and in all of the Annual Conferences of the Central Jurisdiction and all the Annual Conferences of the Southeastern Jurisdiction, the bishops who are then serving the Atlantic Coast and Nashville-Carolina Areas of the Central Jurisdiction shall be transferred to the Southeastern Jurisdiction for residential and presidential service, and the Central Alabama, Florida, Georgia, Mississippi, Upper Mississippi and South Carolina Conferences formerly part of the Central Jurisdiction will be Conferences of the Southeastern Jurisdiction. The transfer and merger of Conferences under paragraphs 4 and 5, and the transfer of Conferences under paragraphs 6 and 7 will be effective upon the close of a special session of the Central Jurisdictional Conference of 1967, and the Central Jurisdiction will thereupon be dissolved.

8. By the adoption of this Resolution by the Southeastern and South Central Jurisdictional Conferences and by the Colleges of Bishops of Southeastern and South Central it is determined that beginning in 1968 the episcopal residences and Areas will be so arranged that no Area will be composed solely of Annual Conferences formerly part of the Central Jurisdiction.

9. By the adoption of this Resolution the Council of Bishops evidences its readiness to transfer bishops across Jurisdictional lines in order to effectuate the purpose of this Resolution, and the bishops individually affirm their readiness to serve wherever they can be of greatest use.

10. By the adoption of this Resolution each Annual Conference, each Jurisdictional Conference, the General Conference, each College of Bishops and the Council of Bishops express their determination to do everything possible to bring about the elimination of any structural organization in The Methodist Church based on race at the earliest

possible date and not later than the close of the Jurisdictional Conferences of 1972. They further express their earnest determination to do everything possible to develop greater understanding and brotherhood in Methodism as well as in the world.

RESOLUTION No. 3

WESLEY FOUNDATION PROPERTY

The Board of Education requests the Kentucky Annual Conference to authorize the Conference Board of Trustees to mortgage, if necessary, the director's residence of the Wesley Foundation at the University of Kentucky. The amount requested is not to exceed \$3,300.00.

The money would be used to correct faulty plumbing, provide adequate electrical service, install new roofing, re-paint interior and exterior, and in general bring the building up to an acceptable standard for the purpose it is being used. The loan would be amortized at \$1,000.00 per year including interest, to be included in present budget.

RESOLUTION No. 4

CHURCH PROPERTY

FRANKFORT DISTRICT

WHEREAS, the New Castle Charge formerly consisted of New Castle, Mt. Gilead, and Smithfield Churches with all three having equity in the parsonage for the charge;

And Whereas settlement has been made with the Mt. Gilead Church concerning its equity in said parsonage;

And Whereas, the Smithfield Church was discontinued and its property was disposed of, with the exception of its equity in the parsonage at New Castle;

Therefore Be It Resolved that the Kentucky Annual Conference in session at Richmond, Kentucky, June 9, 1967, authorize the trustees of the said conference to give a deed to its equity in the said parsonage to the church at New Castle, Kentucky.

ASHLAND DISTRICT

Bethlehem Church

At the request of the Quarterly Conference, we recommend that the church, Bethlehem on the Greenup-Bethlehem Charge, be discontinued and that the conference Board of Trustees be instructed to sell the property and to distribute the funds to the sale thereof to the churches to which the members have gone.

MAYSVILLE DISTRICT

RESOLUTION No. 5

USE OF TOBACCO

As Chairman of the Division of Temperance and General Welfare of the Board of Christian Social Concerns, I would like to present the following resolution:

WHEREAS, reliable reports reveal that cigarette smoking is harmful to health to those who use them, be it resolved that we express our appreciation to the Federal Communication Commission for granting equal time to organizations and individuals who desire to speak concerning the harmful effects of cigarette smoking and that we seek to use these facilities now made available to the church.

ONIE U. KAYS

RESOLUTION No. 6

MEMORIAL: PENSION CODE

WHEREAS, the present Pension Code as now in effect requires that all ministers enrolled in the Methodist Retirement Pension Fund make a personal contribution to the Fund equal to three percent of the average salary of the conference, and,

Whereas, said contributions must be paid from the minister's salary and are therefore his own money, and,

Whereas, said contributions can now be returned to the minister only through annuity payments upon retirement or in lump sum upon withdrawing from the ministry of the Methodist Church, and

Whereas, many or most of the ministers affected by this requirement prefer to have the option of withdrawing their contributions plus accumulated interest in lump sum upon retirement,

We Therefore Petition that the Pension Code be amended to permit each minister to receive all funds accrued in his personal contribution account in lump sum in lieu of an annuity as now provided; provided that the options now in effect shall remain.

Respectfully submitted,
The Executive Committee of
The Board of Pension
J. I. MEYER, *Chairman*
HAROLD F. GARDNER, *Vice-Chairman*

RESOLUTION No. 7

RESPONSIBLE CITIZENSHIP

WHEREAS, It is inherent in our Christian duty to practice responsible citizenship, and to express positive concern for the safety and well being of our fellowman, and

Whereas, rapidly growing highway travel is producing a progressive increase in death, injury, disability, and loss of property due to motor vehicle accidents, and

Whereas, our conscience binds us with local and state government agencies, civic organizations, and other church groups who are seeking to promote highway safety, and

Whereas, the consumption of beverage alcohol by motor vehicle operators who are under the influence while driving on the crowded highways and thoroughfares of the commonwealth have been shaded to constitute a threat to the safety of other motorists of considerable magnitude and

Whereas, present legal foundations for the prosecution of intoxicated drivers appear to be inadequate,

Therefore Be It Resolved, that this religious body register its vigorous support for:

1. The creation and maintenance of the safest possible highway system;
2. The rigid and impartial enforcement of existing traffic safety laws;
3. Adequate training programs for candidate drivers;
4. The adoption by the next regular session of the General Assembly of an "Implied Consent Law" to the effect that persons involved in an infraction of the traffic

safety code, or a traffic accident pay be required on reasonable cause to submit to appropriate tests necessary to ascertain if intoxication is a determining factor in the cause of the accident and/or violation.

5. And, FURTHERMORE, That our church be requested to act in behalf of the implementation of the resolution.

REPORT NO. 3

BOARD OF EVANGELISM

Section I

This year has been the year of Simultaneous Ingathering in the program of Evangelism of the Southeastern Jurisdiction. This has been the key to the Conference efforts. Central to this has been the Venture in Faith Program which has involved all of us in Evangelism in one way or another.

One of the main facets of this was the week of preaching in exchange with the Louisville Conference. While the statistical results may not achieve what we had hoped, we have learned much from this effort. As reports have come in, the consensus has been that this type of an effort is good and needed periodically. Some helpful and constructive criticism has pointed out some factors that we should seek to improve on: the ambiguity in leadership; lack of strong publicity and advertisement covering the Area and Conferences; poor timing; and the guidelines which the local church was to follow not clearly set forth.

But in spite of the poor weather and the weaknesses and problems stated above, the week of preaching in the Venture in Faith was generally appraised as being a very helpful undertaking. The exchange of ministers with the Louisville Conference helped to create a stronger bond of fellowship; the intensive effort in the participating churches helped to create an awareness and concern for persons that will continue to bear fruit; it helped to train laymen and lead them to see their place in a continuous concern for persons.

Perhaps the greatest reward of the whole effort in the Venture in Faith was the larger vision it gave us in terms of evangelism: that evangelism is not just an annual spasm called a "revival." Evangelism is the Church School; the membership training classes; the layman witnessing in daily contact; a continuous and concerted effort to find, cultivate and win prospects; involving all church members in the life of the church and deepening the spiritual life of each Christian . . . all of this and more. While our statistical reports will not make the distinctions, the larger results from the over-all Venture in Faith effort in our Conference will come from membership classes and from the Church school.

We want to note the leadership and direction given by Bishop Short in the work of evangelism and district superintendents who have so ably carried out this direction in each district. While we have had our problems, we have learned much and we believe that groundwork has been laid and is being laid for much fruit out ahead. We believe that the final reports will reveal some real strides forward this year, but that the next year will be a truer indication of the value of the entire Venture in Faith.

This has been a year of adjustment to the Inter-Board leadership. We appreciate

the fine support of the Director of evangelism. The district secretaries have worked under a different arrangement but have continued to give excellent leadership and proved invaluable in the Conference program. Five of the district secretaries, along with the Conference secretary, attended the workshop on evangelism at Lake Junaluska. Our Conference was represented at the National Council of Evangelism by Dr. Harold Dorsey, representative District Superintendent and by Charles Turkington, district secretary of the Lexington district. The Conference Secretary attended the Jurisdictional Convocation and the Jurisdictional Committee on Evangelism at Jackson, Mississippi. Four members of our Conference participated in the March on Washington in the Concern for Persons in the Pacific Northwest: Ed Hisle, Sewell Woodward, Larry Buskirk and Tom Ditto.

We commend the Conference for what has been done. We challenge you with the greatness and seriousness of our task to reach and win Kentucky for Christ.

Supplement

With the compilation of reports complete, the statistics for Church and Church School membership are disturbing if not alarming. Generally, even with the special efforts of the year, our additions are down and our losses are up. While we do show a net increase of 291 this is 336 less of an increase than last year. With special emphasis on the Church School throughout the year, our Church School membership is down 451 and average attendance in Church School down 656.

In Church Membership we are down from last year in additions by profession of faith, transfers from other denominations, average attendance, infant baptisms, other baptisms. We are up from last year on the number received from other Methodist Churches but also we are up on those transferred to other Methodist Churches, transferred to other denominations, lost by death and removed by Quarterly Conference action.

In Church School Membership, we are down for every division, in total membership and in average attendance.

There is no easy, magic formula for achieving a more satisfying record. Nonetheless we feel that renewed dedication and zealous attention and effort to our work, can reverse the present trend in a very definite way. We believe that the program outlined and adopted as presented by the Interboard Council can be very helpful, but it is meaningless as just words on paper. Let us be about the Master's business. . . . "Make disciples of every person" and "Feed the flock."

Section II

Program of Evangelism for 1967-68

Our Jurisdictional theme for the last year of the Quadrennium is "A Year of Conservation." Two major ideas are held up: Assimilate all new members won during the Venture in Faith; enlargement of the Church School membership and attendance. To this we would add two others: Continuing emphasis on the main thrusts of the Venture in Faith; full development and utilization of the organization of the local church for evangelism.

- I. Assimilation for new members (The following are suggestions and are not meant to be your program unless they are useful.)
 - A. Organize study or discovery groups to continue for approximately six months. (May then be reorganized to include other new members.) These should include approximately 6 couples or 12 individuals. The main purposes should be to relate commitment to Christ and the Church to practical daily living. About half of the people in the group should be persons already involved in the church. The purpose of such a group would be to develop quality members. While we are eager to win new people to Christ and the Church we are anxious to prevent losses from the Church.
 - B. Involve in the life of the Church.
 1. Sunday School Class
 2. WSCS, or MM, or MYF
 3. Prayer Groups
 - C. Include in visitation. New members should have the opportunity of winning another soon after their own decision.
- II. Enlargement of Church School Membership and Attendance.
 - A. Training of teachers in Evangelistic Outreach. (Make use of the quantity of quality materials for evangelism in the Church School as provided by the Board of Education, Nashville.)

- B. Set goals for individual classes and for the Church School as a whole.
- C. Follow up each absentee quickly and regularly.
- D. Cultivate each prospect continuously.
- III. Continuing emphases and goals.
 - A. A continuous program of visitation.
 - B. A continuous program of finding and cultivating of prospects.
 - C. Membership classes. Work to give more quality and meaning to these by extending the training period and doing a more thorough job. Promote classes at times other than just pre-Easter. Try to have classes for youth and adults as well as for children.
 - D. Follow up non-resident members. Send letters of notification.
 - E. Special thrusts (Revivals, etc.)
- IV. Utilization of Organization.
 - A. Membership Cultivation Superintendent of the Church School.
 - B. Membership Secretary of the Church.
 - C. An organized, trained and functioning Commission on Membership and Evangelism, with special emphasis upon the strengthening of church members through Christian disciplines of prayer, Bible study, stewardship, witnessing and involvement. Direct attention to family evangelism with special attention to family worship and devotions.
 - D. Wider and more effective use of the evangelistic materials available through TIDINGS and the Board of Education in Nashville.
 - E. Cultivate lay witness at the point of daily and occasional contact. Especially train some of the strongest leaders of the Church in techniques of winning people to Christ as well as bringing back into active fellowship and participation those who have become indifferent and non-participating. Work with the District and Conference Lay Boards at this point of Lay Witness Missions.
- V. Conference leadership and development.
 - A. Each District Secretary of Evangelism attend the Workshop on Evangelism at Lake Junaluska, August 13-18, 1967, with expenses paid under arrangement and approval by the Council Director and Conference Secretary.
 - B. That young ministers and their wives be encouraged to attend the Spiritual Life Conference at Lake Junaluska, August 13-18, 1967. Expenses scholarships will be worked out by the Council Director and Conference Secretary for one couple from each district or a maximum of seven couples from the Conference. The District Superintendent and district secretary of evangelism are to select the couples.
 - C. The Board of Evangelism participate in the district workshops and in a Conference-wide rally in January.
 - D. The Board of Evangelism and the Board of Lay Activities work together in the promotion of Lay Witness Missions in the Conference.

Section III

Report and Recommendations on Conference Evangelists

We wish to commend our Conference Evangelists for the faithful work and service they render to the Church. Of the eight men reporting, they held an average of 21 meetings or campaigns each during the year. They report a total of 7,501 conversions in 166 campaigns, 1,074 additions to The Methodist Church, many groups of prayer, study and witnessing started, and many persons committed to tithe, have family devotions and attend church regularly.

We recommend the following Conference Men as approved evangelists: Joseph Brookshire, James Gibson, Ford Philpot, James Rose, William Rudd, Maurice Stevens and H. Gilbert Williams.

We recommend W. H. McComas, approved supply, as an approved evangelist.

Section IV

Report on Ruggles Camp

A high light of the Ruggles Camp season, July 21-31, 1966, was the splendid youth program under the leadership of Rev. and Mrs. Wm. H. McKain, Jr., and Rev. and Mrs. Robert C. Pugh and their several assistants. The youth were most responsive to the challenge of the camp activities and the religious services of the camp. About twenty committed themselves to full-time Christian service.

The evangelist for the 1966 camp was Dr. Robert E. Coleman from the faculty of Asbury Theological Seminary and Mr. and Mrs. Don Rollings were in charge of the musical program.

Attendance was very fine and the churches of the district gave loyal support to the services. Financial offerings were sufficient to pay off a \$1,500 note made two years previous for the remodeling of the boy's dormitory. A remodeling project is currently in progress on the Kentucky Inn dormitory.

People are being encouraged to build cottages on the grounds and one new cottage has been built this spring. The Building and Grounds committee has outlined a program for such projects.

Rev. Jimmie Rose will be the evangelist for the 1967 Camp, July 20-30. Mr. and Mrs. Don Rollings will again direct the music. Rev. Bob G. Ray and Rev. Charles Denger will direct the youth program. A successful encampment is anticipated.

The following trustees are nominated for the Class of 1970: Rev. Larry Buskirk, Rev. Thomas Guance, Mr. James A. Applegate, Mr. Reynolds Moreland, Rev. E. P. Swann. This report given by Dr. Robert L. Anderson, President Ruggles Camp.

REPORT NO. 4

BOARD OF CHRISTIAN SOCIAL CONCERNS

The Board of Christian Social Concerns seeks to make relevant the Christian Gospel which Methodism declares to its people. It seeks to follow Christ in bringing the whole of life—personal, social, economical and political—into conformity with the will of God. It seeks to lift up before the Church and the secular world the Christian concern for personal, social, and civic righteousness. To fulfill this purpose the Board plans and promotes a program of information, education, and action in the areas of alcohol problems and general welfare, human relations and economic affairs, and peace and world order.

Section I

Division of Alcohol and General Welfare

Never before have people lived under such tensions as they do today. Men's hearts are failing them for fear and looking after the things that come upon the earth. Due to this pressure and these tensions, people are turning to pills, narcotics, and alcoholic beverage for relief. Very seldom do men drink because they like the taste of liquor, or the effects it has on their bodies. Most people drink to be sociable or to relieve tensions or troubles. It is the church's responsibility to discover the real reason why men drink or use narcotics to excess, and seek to meet the real need in men's lives rather than to curb their drinking and smoking. Legislation will help, especially among the youth who have not developed the habit of drinking and using dope, but the church's real problem is meeting the spiritual needs of mankind. If these needs are met, other things will be taken care of without legislation. We urge our churches to work harder in this field. We have the remedy for the ills of the world and we must fulfill our responsibility which is entrusted to us by the Lord of glory. America will never be changed until there is a change in the hearts of men. The church is the one institution that still stands to point men and women to the Lamb of God that takes away the sins of the world. We must not fail at this hour of great need.

In changing the hearts of men, which will relieve tensions, there are two things necessary: education and evangelism. People must be educated against evils and led into a vital experience with Christ. Christ is still the Way, the Truth, and the Life, and the abundant life can never be found apart from Christ's redeeming work and His abiding Presence in the hearts of men. St. Paul says, "It is Christ in you the hope of glory." What men need today is not the spirits of liquor but the Spirit of God filling their hearts and lives.

Too long the Church has tolerated and sometimes encouraged social drinking. Most alcoholics have had their start in this direction through social drinking. Nothing good can come out of drinking liquor, social or otherwise, and the church should have no part

in it or put its approval upon it. Methodism's attitude toward alcohol has always been total abstinence and we want to keep it this way as long as there is a Methodist Church pointing its steeple toward the skies. When we realize that there are almost twice as many alcoholics in America today as there are people living in Kentucky we know the problem is critical indeed. It is time for us to wake up and cry out against this great evil that is growing by leaps and bounds among men, women, and youth of our nation. We urge those who work with youth to use every means possible, including education, Commitment Day cards, etc., to start our children and youth in the right direction, so they may escape the pitfalls into which many have fallen.

We urge the chairmen of the Commissions on Christian Social Concerns to organize the Commission as soon as possible and to see that the Commissions are active in all responsibilities that relate to its work. In too many churches this Commission has a name to live but is dead. "Rise up, O men of God, have done with lesser things; give heart and mind and soul and strength, to serve the King of kings."

Section II

Division of Human Relations and Economic Affairs

Need for Enlightenment

The name of our Board is Christian Social Concerns. It could well be Christian Social Enlightenment for where there is not reading, study, and the acquisition of information on human relations and economic affairs there is no concern. Pastors and responsible laity must read CONCERN, THE METHODIST STORY, publications of the Board of Christian Social Concerns, and other sources of information if our churches are going to have any effective outreach in our complicated and un-Christian society. In this connection we have gladly welcomed the joint study in our churches this past year under the theme, "Affluence and Poverty: Dilemma for Christians."

Changing Ourselves

In many of our churches there is a new willingness to change our thinking to modify our middle-class stereotypes that we may have a new understanding, empathy and love for the poor, and thereby help the poor to achieve a better life.

With improved empathy, we endorse cooperation with such federal and local projects as those provided by the Demonstration Cities legislation and Non-Profit Housing. We urge similar support for other efforts of our national and state government to better conditions of the poverty-stricken, whether they be in Appalachia, the slums of our larger cities or in the agricultural regions as displaced farm workers. Our General Board of Christian Social Concerns provides resources for meeting human needs in all of these areas.

Industrial Relations

Some of the members of our churches in recent months have been involved in bitter, long strikes, both as management and labor. Surely the church can do something beneficial about such serious situations. We earnestly hope that our local churches will be more effective in the strikes of 1967 and 1968. As the Church, we must be the meaningful friend of both labor and capital.

Race Relations

We rejoice in the progress made in civil rights legislation, and we encourage our congressmen to take a forthright stand on basic human rights. Instead of lessening our concern in the presence of the confusion that has developed in the inter-racial and civil rights movement we would move for a deeper and more intelligent understanding of all factors involved.

We continue to encourage pastors and churches of our conference to cooperate across inter-racial lines. Likewise, in the light of our geographical location and past liberal record as a Conference, it is hoped that we, with the anticipated dissolution of the Central Jurisdiction, will render any reasonable service which we may be called upon to render by the Church as a whole.

Continuing Issues

Our Christian involvement in human relations, the economic and aesthetic causes us to re-assert our endorsement of planned parenthood and population control and to commit ourselves to the current wise endeavors for social conservation, the rehabilitation of strip-mined land and the prevention of water and air pollution.

Section III

Division of Peace and World Order

During the past year, the Church has not been as effective as it should have been as far as speaking out on the issues of world peace. We believe a free society rests ultimately on the basic common sense of enlightened people and in an abiding faith in both God and Man. Regardless of religion, national origin, race, or political order, we dare not allow ourselves as Christians to be manipulated into a polarized society where two hostile camps or groups become so fanatical, rude, and uncompromising that any reconciliation or reasonable dialogue is all but impossible.

It may have been that we have allowed a small but noisy group both inside and outside of the Church to silence or cause a complacency among a large and responsible membership.

Both the extreme right and extreme left have served as a hindrance to an intelligent dialogue toward the lessening of tension in world affairs. We deplore the left wing groups which have a tendency to burn the draft cards and become extremely critical of all institutions and established order and become obnoxious and hostile toward government officials and all semblance of authority and common sense.

We equally deplore the attitudes and actions of the extreme right wing groups that advocate total annihilation of all those who disagree with them and continually attempt to undermine and attack the good intentions of the Church and responsible government to further their own evil or questionable goals.

We do not contend that the United States has been perfect in judgement, virtue, or intent; but despite some flaws, the United States has brought more economic and political blessings to more people than any other arrangement yet devised by man. Instead of being so critical of the national effort, we should be thankful for our achievements, and with the position of wealth and affluence that we have we should seriously pursue the cause of peace as strenuously as any other national endeavor.

It would be foolish indeed for us to think that all truth and virtue are clustered at the moderate center in national and international affairs, or that material blessings that we have obtained would necessarily indicate "overwhelming approval of God." Consequently, we must continually strive toward a lessening of tension in the world and for a better understanding of complex problems that confront us all.

The population explosion and the ever-increasing food shortage of the world is becoming more of a perplexing problem. The experts are saying now that within another ten years the situation will become increasingly worse unless there is a drastic increase in food production or greater efforts to stabilize the mass population increase.

Another serious and perplexing problem is our position toward Mainland China. The various reports which we have indicate that drastic changes are taking place on the Chinese Mainland and unfortunately we do not have more than a minute bit of information on the changing events. We should, therefore, suggest an up-to-date study of the changing times and conditions to determine if a reasonable dialogue can be carried on with the intention of lessening tensions and improving international conditions throughout that part of the world.

Many of us are quite anxious over the Vietnamese War and its continuous hardships of the people on both South and North Vietnam. Because of the issues involved, it appears that there is no choice but for the United States to see this through to a logical conclusion regardless of the cost. At the same time, we believe that we must try harder to bring the belligerent forces in both South and North Vietnam to a peace conference with an early withdrawal of all foreign troops from the area just as soon as practicable.

We further believe that every Christian should scrutinize most carefully his own attitude toward peace and again study the position of The Methodist Church toward peace and world order as outlined in the *Discipline*.

We do not mean to imply that the United States holds the keys to peace; however, if we pursue the endeavor for peace as strenuously as our other national pursuits then certainly we could unlock a lot of the doors in our endeavors to pursue peace.

We support the full enforcement of the U.N. ceasefire resolution imposed on Israel and The Arab States and that adequate machinery for the implementation of a lasting and just settlement of the conflict be instituted by and through the U.N. in accordance with accepted international practice. Furthermore, that as the U.S. government seeks to work toward the restoration of order and finding a basis for peaceful coexistence between these Middle East countries, we believe that such negotiations should include consideration of

the repatriation of Arab refugees from Israel now living in Arab territories and/or equitable compensation for losses of the property now situated within the established borders of the state of Israel.

Section IV 1967-68 Program

During the 1967-68 conference year the Board of Christian Social Concerns will emphasize the quadrennial emphasis determined by the General Board. These emphases concern basic questions, action projects, and study.

In May of 1968 the Conference Board will join with the Conference Youth Council in sponsoring a week-end youth retreat for Senior High Youth at Aldersgate Methodist Camp. The retreat will deal with a timely issue in the area of Social Concern that is to be determined.

The Board recommends that a Legislative Seminar be planned for the early days of 1968. This seminar will be held in Frankfort near the beginning of the 1968 session of the State Legislature. The Board also desires to assist local churches plan and promote meetings between churchmen and legislators. For example, churches in a county would come together to discuss legislation with their representatives.

The Board proposes to hold five Resource Seminars on Mental Health for Pastors in the spring of 1968. In these seminars problems related to mental health as the pastor faces them will be treated.

The Board proposes to participate in the Interboard Workshops that may be sponsored by the Interboard Council and the mid-year rally proposed by the Interboard Council.

Each year the Board recommends that local churches observe the following days: July 3, Freedom Sunday; September 3, Labor Sunday; October 22, World Order Sunday; October 24, United Nations Day; November 12, Commitment Day; and February 11, Race Relations Sunday in cooperation with the Board of Education.

REPORT NO. 5

BOARD OF MISSIONS

During this year, the Conference Board of Missions has made every effort to unify our approach to the mission of the church. We have worked closely with the Interboard Council to coordinate our program with the total conference effort. We have splendid cooperation from the Kentucky Conference Woman's Society of Christian Service in bringing about a unity in our missionary endeavor.

One of the major emphases for this year has been in mission study. Dr. J. Edward Carothers' book "Keepers of the Poor" has been an interesting text, and though controversial, has resulted in some very helpful thought and action in considering our responsibility in a world of poverty and affluence. This coming year, our churches will have the privilege of electing one or more of the four following areas of study:

1. Ecumenicity using the text "That the World May Believe" by Dr. Albert C. Outler.
2. Christ and the Faiths of Men. A number of study booklets will be available with special attention being given to "Encounter of the Faith" by George W. Carpenter.
3. Japan. The major resource material is "The Response of the Church in Changing Japan" by Charles H. Germany.
4. Man and Community using primarily "Paths to World Order"—The Dag Hammarskjöld Lectures.

Your Conference Board expresses the earnest hope that every church in the Kentucky Conference will select one or more of these areas of study and thus enrich the thinking of our people with regard to the problems confronted by the Christian faith in our world today. We urge each church to set up a sub-committee on mission study as follows:

- (a) The chairman of the committee (who may be the chairman of the Commission on Missions or some other person appointed by him.)
- (b) The secretary of missionary education and service of the Woman's Society of Christian Service.
- (c) The chairman of missionary education and service of the Wesleyan Service Guild.
- (d) Two representatives of the Commission on Education.
- (e) At least one additional member elected by the Commission on Missions.
- (f) The lay leader.

We further recommend that in smaller churches there should be a Subcommittee on Mission Studies and School of Missions of three:

- (a) one from the Commission on Missions.
- (b) one from the Commission on Education.
- (c) The secretary of missionary education and service of the Woman's Society of Christian Service, AND, if the church has such a person, the chairman of missionary education and service of the Wesleyan Service Guild.

In the event the church has no Commissions, the Official Board has responsibility for the functions of the Commissions.

We believe that almost every church in our conference could set up this committee, even if only in the simpler form, and thus begin to lead our people to a more intelligent grasp of the mission of the church today.

We have proposed the following program to the Interboard Council for their assistance in promotion:

1. Promotion of acceptance and payment in full of World Service in every local church.
2. Vigorous promotion of Advance specials as follows:
MCOR—Vietnam Christian Service
World:
 - (a) Bidar Assembly Hall, Bidar, India
 - (b) Burleigh Law Memorial School in Wembo Nyama, CongoNational: Alaska Methodist University
Conference:
 - (a) Methodist Mountain Missions
 - (b) Covington District—Ida Spence Church
 - (c) Frankfort District—St. Paul's Church
 - (d) Lexington District—Nathanael Mission, Aldersgate, Trinity Hill
 - (e) Barbourville District—Wallins Creek, Pleasant View

3. And in setting up mission study committees in each District and Local Church.

A fall mission study conference in each District in early October.

4. District Interboard Rallies with Board of Missions participating.

A Conference-wide Interboard Rally in January.

We would again hold before the Conference our aim for each local church in the work of missions:

1. Full support of World Service and Conference Benevolences with each church on the Honor Roll each quarter.
2. A church-wide mission study in each congregation.
3. Each Church School sharing the Fourth Sunday offering for World Service.
4. Regular use of World Service leaflets and other promotional literature.
5. An Advance Special in each of the four areas suggested above.
6. A Prayer Covenant with our missionaries.

Appalachian Committee

The Appalachian Committee has had a number of meetings during the year and we had several consultations with the administrators of our Methodist institutions in the portion of Appalachia included in the Kentucky Conference. We have been endeavoring to look at our task in connection with hospitalization and health service in Appalachia, our program of higher education in this region, and the function of the small church in Appalachia. As a result of our study, we recommended a Parish or Group Ministry Program in each District in our Conference where it seems feasible. If the Districts are not in a position to consider this program for this year, we suggest that plans be considered for such a program for next Conference year 1968-69. To set up such a program in our Conference may make it possible for us to bring a most adequate ministry to many of our very small churches. We believe that this program should not be undertaken

on a temporary basis but that careful planning should be given so that these pilot programs can be sustained for a long range period. Each District Superintendent will, of course, develop the program in detail as seems best in his particular situation. We hope that all Superintendents will counsel with both the Board of Missions and the Town and Country Commission in this work. We request that the Conference give to the Board of Missions permission to use surplus funds in the Minimum Salary Program to assist in supplementing the salary of the Directors. Approval of this report will be taken as permission to so direct these funds if necessary.

The Appalachian Committee further recommends that consideration be given to the employment of a qualified person who could serve on the staff at Union and Sue Bennett College and also develop an in-service training program for ministers and laymen working in the Appalachian Area. We have a conviction that this kind of ministry requires some special training and we believe that it can best be done in cooperation with a person who is related to our colleges and to our conference, with the District Superintendents involved in Appalachia. Such a program should be under the direction of our colleges in cooperation with the Board of Missions and the Town and Country Commission.

We further recommend that consideration be given to re-establishing the Inter-Conference Commission on Higher Education composed of Committees on Higher Education of the Louisville and Kentucky Conferences. We believe that these two groups working together could not only hear reports from our educational institutions but could counsel with them about ways in which the colleges could more effectively serve the conferences in their program. This recommendation, of course, will be directed to the Conference Board of Education.

The Appalachian Committee will continue its work in the coming conference year and will endeavor especially to work in the three areas designated above with the hope that our conference can do a more effective job in serving the people of Appalachia.

Minimum Income Program and Matching Salary

The Minimum Income Program for FULL TIME MINISTERS shall be as provided in the amended Program adopted by the 1966 Annual Conference, with the following exception:

Conference Members enrolled under this Program shall, after the first year, be entitled to an additional payment equal to the increase in income, including such Expense Allowance, Travel Expense, Utilities, Auto Expenses, etc., which do not exceed 20% of the Basic Salary. There shall be no limit to this "matching" part of the Program, except as provided under the paragraph MAXIMUM INCREASE as it appears in the amended Program adopted by the 1966 Annual Conference: A Minimum Income Program shall be adopted for FULL-TIME SUPPLIES, similar to the program for Full-time Ministers with the following exceptions:

- (a) The Program shall include all Churches or Charges, served by Full-time Approved Supplies, provided the Local Church or Charge, is paying Total Income of not less than \$2,500.00.
- (b) Those Churches or Charges, whose Full-time Approved Supplies are now receiving Total Income, including Conference Mission aid, in excess of the Minimum shall have the privilege of continuing as at present, subject, however, to approval at the end of the Conference Year, and annually thereafter, by the Mission Board.
- (c) The Minimum Total Income shall be set at \$3,800.00. Except for this minimum, and a maximum payment of \$1,000.00 each year, the Program shall be the same as the Program for Full-time Ministers.

Advance Mission Specials

The Conference Board of Missions was extremely gratified with the excellent report on Advance Specials at the 1966 Annual Conference. Evidently due to emphasis on such items as the Hospital Campaign, the Advance Special contributions for this year thus far have been considerably behind our 1966 record. We will submit a report for the 1966-67 year at the time of the meeting of the Annual Conference. We believe that every church in the Conference can share in a mission special in each of the four lanes—Conference, National, World, MCOR. Special attention from the District Superintendents, the Pastors, and the local Church Commission on Missions could make it possible for us to achieve this goal this year.

Church Extension Committee

The Church Extension of the Board of Missions has administered funds committed to our care by the Board. We have also handled recommendations to the General Board's Division of National Missions.

From our regular Church Extension Funds coming to us from the Conference Treasurer, we have assisted a number of churches in their building programs. (See list at close of Board report.)

We handle the Crusade Funds, and have a considerable amount on hand at this time to assist in building churches for new congregations and relocating churches in growing areas.

G. R. TOMLIN, Chairman

Section II**Methodist Mountain Missions in Kentucky**

OPPORTUNITY STORES: In May of 1966 the Board of Directors decided that we should close the Opportunity Store in McKee and then open a new store in Pineville. The property in McKee was sold for \$12,000.00. A new building in an excellent location was rented in Pineville. On June 24th the Pineville store was opened for business. This new store has reached a number of people and has handled quite a volume of merchandise. We are hoping that it will continue to grow in its usefulness.

August through November brought the largest number of people into our Opportunity Stores in the history of our Mission. The financial report will show a marked increase in our volume of business.

INDEBTEDNESS: As of April 1, 1966, our indebtedness stood at \$62,100.00. During the year we have paid on principal: \$4,000.00 to the Lewis daughters; \$9,500.00 to the First National Bank in Jackson; \$5,800 to Mr. and Mrs. Benton Howard; and \$4,200.00 to the National Division making a total of \$23,500.00 paid on the principal. During the same period we paid a total of \$2,904.52 for interest. Our present debt stands at \$38,400.00.

Our record in debt reduction was made possible by the good sales in our stores, by a donation of \$4,109.00 from the Conference Board and by the \$4,950.01 in Advance Specials and the \$1,890.71 received in personal gifts, plus the \$12,000 received from the sale of the McKee Property.

LEWIS MEMORIAL BUILDING: During the year we have added a second ware room containing near 1,000 square feet of floor space. A new hardwood floor was laid over about half of the main work room. Several other improvements have been made. On the front of the building we mounted a new plaque bearing the following:

LEWIS MEMORIAL BUILDING

To the Glory of God

And In Memory and Honor of

Rev. John H. Lewis and Mrs. Nancy P. Lewis

For their vision, their devotion and their service.

EMPLOYMENT AND WAGES: Our total number of employees continues between 45 and 50 persons. Wages for all employees have been increased during the year. The men driving our trucks and those working the Ware House and in the Repair Rooms are now under the Federal Wage and Hour Rules. Our monthly payroll for all workers now runs more than \$8,500.00, which is about \$2,500.00 above the monthly average for 1965-66. We are pleased that we have been able to give better pay to all our workers.

CHURCHES: Working with our three churches in Breathitt County we have the same workers as of the past year—Rev. and Mrs. Allen Mitchell and Rev. and Mrs. Seldon Short. Hampton and Wolverine have active W.S.C.S.'s Bach Memorial and Hampton have active youth groups. Vacation Church Schools were held in each Church. The Bach Memorial Church has already paid in full their asking on the Hospital Campaign. Wolverine has pledged their asking in full and regular payments are being made. Hampton has about 60% of their asking pledged.

During the year a new Methodist Society was organized on John Little's Creek, known as The Methodist Gospel Light Mission. This new Church is under the leadership of Rev. Ralph Landis, a Local Preacher who is doing Church and Community Work in the Southeastern section of Breathitt County. Rev. Landis is also directing four other Sunday Schools in this area.

CHARITY: During this year we have given over \$1,200.00 in services to the needy. Some has been in gifts of food, some clothing, coal, beds, stoves, and other items of household furnishings. Several families who lost all they had in fires were helped in re-establishing themselves in new homes.

HELP TO CHURCHES: For the Hampton, Wolverine and Bach Churches, the Mission provides the major part of financial support—salaries, cost of maintaining the Church buses and a part of the up-keep on buildings. We gave chairs and other equipment to the new Church on John Little's Creek in Breathitt County. A total of \$1,775.00 has been shared with other Methodist Churches in Eastern Kentucky during this year.

VISITORS AND GUESTS: During the year we have had visitors from the state of New Hampshire; Vincennes, Indiana; Pittsburgh, Pennsylvania; Ft. Wayne, Indiana; New Jersey; and from several Churches in Kentucky. We always welcome visitors as we do want those who share with us to see for themselves something of the work which we are trying to carry forward.

CONTACTS: At least 20 churches have been visited by the Superintendent during the year. Rev. A. R. Mitchell spent 15 days sharing in a "Missions Conference" in 15 or more Churches in the Lafayette, Indiana District. Mr. J. W. Noffsinger has spoken for the Mission in several Churches in Western Kentucky and in West Tennessee.

TRUCKS AND BUSES: The Mission owns and operates 8 motor vehicles—3 large trucks, 2 Church buses, 1 carryall, 1 Chevy Van, and 1 car. This means that we must make new purchases almost every year. In the past 12 months we have purchased 1 new Van, and 1 new 2-Ton Truck. During the coming 12 months we will have to trade for at least one new truck and perhaps one new Church bus.

Through our 8 Opportunity Stores we estimate that we are serving more than 2,500 families per month, most of whom are in the lower income brackets. Over 100 families have been helped by direct donations. At least 200 people are being reached through our Churches in Breathitt County. These and the many other services of our Mission could not take place without the growing interest of more and more people and the regular support which they are sharing.

The report of our Treasurer is being filed with the Conference Secretary for the Journal. (See Financial Exhibit E.)

W. E. PETTUS, Superintendent

Section III

Woman's Society of Christian Service

This has been a busy, active year for the members of the Woman's Society of Christian Service and the Wesleyan Service Guild. Our almost 10,000 members have been trying hard to meet the pledge of \$100,000 for 1966-67. At the time this is being written we are hoping and praying that it will be met. Things look good if the giving continues at the usual rate and if the additional funds from World Bank and Special Memberships come to the anticipated amount.

Sue Bennett College has made nice progress. The new Minerva McDaniel Library-Science Building and the Oscie Sanders Student Center were dedicated the first day of October. These are two beautiful buildings, well equipped, and fine additions to the institution. A faculty apartment is under construction and plans for a new Physical Education Building will be presented to the Board at its next meeting. Dr. Earl Hays, President, says the enrollment has increased 43% during the past five years and that at the present time applications for next year are approximately 15% ahead of schedule as compared to last year.

Our Church and Community Workers, Miss Mildred May, Danville District Area; Miss Jennie Flood, Coordinator of the Harlan Area, assisted by Mrs. Bernice Sheffield and Miss Virginia Emery, Harlan County, and Miss Sarah Casey, Letcher County; and Miss Laura Wells, Lawrence County Area are doing excellent work. Miss May came to us last summer to start working the first of August with 16 churches, 9 in Casey County and 7 in Pulaski County. In the Harlan Area a Sewing Center has been opened at Millstone, funded by OEO. Clothing is made to be given to those unable to purchase it, sold for a small price to the more affluent, or, the person desiring a garment may have it by replacing the amount of material used for making it. Some of the articles of clothing were on display at our Annual Meeting in Winchester on April 6th and 7th. A new 12 passenger Falcon Club Wagon has been purchased for this area. With the addition of stools 20-25 children or youths can be transported. The Lawrence County Area has

formed a library committee to work out a reading program for the churches interested in participating. Through this they hope to cultivate spiritual understanding and growth and develop more effective leadership.

At the meeting of the Woman's Division in Cincinnati and the meeting of the Board of Missions in Louisville this year it was very pleasing to hear reports of the mission work in our conference so ably presented by some of our workers, among them Miss Jennie Flood and Miss Virginia Emery to the Woman's Division and Miss Sarah Casey at both meetings. You would have been proud of them.

This year an attempt has been made to keep in close touch with the three special-term missionaries who are under our partial support. (Under a new policy a missionary is sent out under cooperative support, no one group or person is allowed to assume the entire expense of any worker.)

Elaine Belzer is teaching in Eveland College, San Mateo, Isabela, Philippine Islands. Eveland is a new college, offering a course in agriculture in addition to the general subject matter. Since the Islands are still 90% agricultural in their economy this is an asset to the citizens of this province. The Methodist Church maintains a Farm Research Center on the Eveland Campus. Elaine has been ordained deacon in the Northern Philippines Annual Conferences, one of the most active conferences in the Islands. She writes that its strongest point lies in its lay leadership, both men and women.

Glenda Cox, a graduate of the University of Kentucky School of Nursing is serving in Sarawak, Malaysia. After receiving language study and orientation in Sibiu she was assigned to Christ Hospital in Kapit. Glenda tells that she was one of the six nurses at the hospital in addition to two full-time doctors, one of them a surgeon. Recently Glenda has been moved to Nanga Mijong Clinic where she is in charge of treating minor cases such as small lacerations, burns, chickenpox, measles, worms and she assists mothers at the birth of their babies. She is aided by a young Iban girl who acts as interpreter since Glenda is not yet proficient in the language. The more difficult cases, ones that she feels incapable of handling, are sent down river by launch to Christ Hospital, 15 miles distant.

Learning the customs in a strange place is quite difficult, so she has had her share of complications. Recently when she was asked to conduct a Communion Worship Service she decided to encourage the people to use their national resources in order to make the church more truly their own. Mats were used instead of seats; candles for lights; a rough hewn cross replaced the fancy brass set; and the ancient sapie, a local instrument carved out of a log, was used for background music. Chant-like responses involved the whole group in worship. Everything seemed to have gone so well until one brave young man had courage enough to tell Glenda that the sapie is used only for courtship and has definite romantic implications.

John Lashbrook, our third young special-term, is with the Brazilian team working in Duque de Caxias. John has found his service in working in relationship with a primary school, helping with recreation for the children, none of whom have had any such activities before. At times he has had to substitute as head of the school, too. He says that the children are so appreciative of the least thing that is done for them because there has been so little interest shown in them previously. Money has been provided from interested people in the United States to add two rooms to the school and by operating with three shifts a day they will be able to almost double the previous enrollment. Additional money was given to pave the playground area, a great thrill to John. Due to the torrential rains this year mud has been quite a problem.

He moved into the residence of a local family, thereby hoping to deepen his fellowship and helpfulness to the Brazilian people. The team has succeeded in involving a few of the local leaders in its projects with the hope that the programs it (the team) is starting will be continued after it returns home to the United States.

In addition to these three we have assumed the support of three more missionaries for the coming year. This is a big step out in faith. It will take our faith, our prayers, and much work to meet this increase in pledge to \$106,000.

Miss Shirley Culver, Wilmore, Kentucky, was born in Southern Rhodesia while her parents were serving there as missionaries. She graduated from high school in Africa and entered Asbury College in 1963. She will receive her degree this year and wants to return to Rhodesia as a special-term missionary.

The Rev. and Mrs. Neal K. Long will be our regular (full-time) missionaries. He, a native Kentuckian is a graduate of Asbury College and Asbury Theological Seminary. She, a native of Oklahoma, is also a graduate of Asbury College. They, with their five-year-old son, Darryl, have been serving our church at Whitley City the last two years.

The Longs will go to the Missionary Orientation Center this fall and will be commissioned before leaving in December for service in Latin America in the field of Christian Development.

Lay delegates, ministers, please share this information with your local members of the Woman's Society and the Guild. This is a challenge in which every Methodist woman in the Kentucky Conference should have a part. If you do not have either a Society or a Guild, go home and *start the necessary procedure to start one*. Your district president, secretary of membership cultivation, or any district conference officer near your church will be delighted to help you do this.

Our Purpose states, ". . . (it) shall be (our aim) to help women grow in the knowledge and experience of God as revealed in Jesus Christ and to challenge them to respond to God's redemptive purpose in the world . . ." Each woman needs this opportunity.

NORMA CURRY (MRS. EARL T.), Conference President

Courtesies

We are extremely proud of the fact that our Resident Bishop, Roy H. Short, serves our entire Methodism as President of the Board of Missions. We congratulate him on his fine leadership in this capacity and express our deep appreciation for his continued leadership in this important responsibility.

We especially wish to congratulate the Vice-Chairman of our Board of Missions, Dr. G. R. Tomlin, who, at this Annual Conference, completes 50 years of dedicated service as a minister in The Methodist Church. Dr. Tomlin serves effectively as Chairman of the Committee on Church Extension and the Committee on Minimum Income and Matching Salary. We thank him for the many hours which he spends in the work of the Board of Missions. We are gratified at his long years of service and extend our very best wishes as he begins this year, the second half century of his ministry in our midst.

We express appreciation for the cooperation of the Kentucky Conference Woman's Society of Christian Service and especially to the President, Mrs. Earl T. Curry, who very usefully serves as a member of our Board.

We also express appreciation to Dr. William F. Pettus for his continued and able service as Superintendent of Methodist Mountain Missions. This ministry has become increasingly important in our Conference and we are grateful for the wider area of service which the leadership of Dr. Pettus has made possible.

REPORT No. 6

COMMISSION ON TOWN AND COUNTRY WORK

This has been a very fruitful and rewarding year for the Commission on Town and Country Work. Many of the goals that were set out at the beginning of the quadrennium

have already become a reality. We had this year some of the finest district meetings that we have ever had. Our speakers were well qualified and did an outstanding job. Dr. Carl Sanders of Norfolk, Virginia, was our main speaker and certainly gave to us, both ministers and laymen, a challenge and inspiration that will remain with us for a long time. Dr. Russell Patton gave a challenging message on the Town and Country Church of Tomorrow, as did also Dr. Robert L. Anderson with his outstanding message on the Town and Country Churches of Today. Rev. Glenn Courts spoke on the Conference at the University of Kentucky and poverty programs of Eastern Kentucky. These were well presented and we received many favorable comments from these programs.

Through the Town and Country Commission five young men of the conference are being offered a scholarship for special training at the University of Kentucky. We also had five in this training last year.

Seven young men are now being offered scholarships at Emory University and we are working closely with the University and Dr. Freeman in getting these young men registered for this special training.

Our recognition program, whereby three men from each of the seven districts of our conference will receive special recognition and be given special awards at the annual conference. This enables many men to realize the significance and importance of the work they are doing which would otherwise go unrecognized.

The program for the standardization of the parsonages for the total Kentucky Conference has moved forward in a most rewarding way. This was instigated at the beginning of the quadrennium and our goal is to complete this program by the conference of 1968. You will find these goals in the annual conference minutes as was passed by the conference.

Next year will be the quadrennial convocation of the Town and Country Churches in Columbus, Ohio, September 5-8. These conferences are held somewhere in the Mid-West every four years. The Kentucky Conference had one of the largest delegations for the last such conference which was held in Minneapolis, Minnesota.

The plans of our Commission for next year will include district meetings led by outstanding men in this field; getting our delegation ready for the convocation in Columbus; assisting young men in getting scholarships for special training; continuing to work with the University of Kentucky on the special conference for Town and Country personnel; working with and lending our assistance to any agency of the conference where we can be of service, especially to our fine community workers in our conference.

REPORT No. 7

BOARD OF EDUCATION

Christian Education is the never-ending and ever-expanding mission of the Church. Paul's admonition to Timothy is relevant for every Christian, "Keep yourself in training for the practice of religion." (I Timothy 4:7b, NEB) The most effective Christian witness in any area of the Church's concern is that of the informed and prepared Christian. Simply stated, this is the major role of your Board of Education to provide information, training, and learning experiences of every kind possible to the local church, the districts, and to our conference, in order that all of us might keep ourselves in training for the practice of our Christian Faith in a changing and bewildered world.

Your board, with the able and efficient help of the Interboard Staff, has sought to provide those things necessary for your training this past year and to make adequate plans and preparation for the year ahead. Read the following reports carefully for they give a resume of last year's work and our recommendations for 1967-68.

A final word of appreciation to all members of the Board of Education, its officers and committee chairmen, to all volunteer workers in the districts, and to our Interboard Staff for their untiring interest, work and leadership.

Children's Work

In the summer of 1966, 134 churches reported a total of 128 vacation church schools held, reaching approximately 7,000 children.

Eight vacation church school institutes were held in the spring of 1967.

A week of small group camping for elementary V-VI boys and girls was held at Aldersgate Methodist Camp in August. It proved to be a most successful experience for the 45 children and their leaders. A similar camp will be held again this August.

The children's council studied the needs and program for leaders of children in this conference. From the study two emphases for the coming year have arisen.

First is the need for helping local churches understand the why and how of a nursery-home ministry. At each interboard school a class will be offered to members of the commission on education and other interested people dealing with this.

The second is the need for training for all leaders of children—Sunday School as well as vacation church school. Thus, in 1968, a spring institute for workers with children will be held in each district. A number of work groups will be offered at each institute so that each teacher may receive help in areas most needed.

Two people from the Kentucky Conference received training in children's work at Lake Junaluska last summer. This year we will provide scholarships for five prospective leaders to participate in children's laboratory or leadership courses.

Youth Division

Youth of today's church are engaged in a genuine search. They are trying to understand God's new work in human history, and find ways to receive and convey it. The purpose of the youth ministry is to aid youth in finding a relationship with God, and helping to understand the demands of this relationship within the world.

Several camps and agencies were made available to the conference youth during the past year. The following enterprises were provided during the summer of 1966: President's Assembly, Work Camp, Senior High Camp, Youth Institute, and six Junior High Camps. Through the remainder of the conference year, six district youth institutes were held. In April, seven youth from the conference attended an interdenominational leadership institute at Cedarmore Baptist Assembly. Also, during the same month a weekend retreat was held on interpersonal communications at Aldersgate Methodist Camp.

In September, Larry Wyatt, conference MYF president, attended the National Youth Conference at Hamlin University. Also, the conference MYF provided for improvements around the pool area, dining hall and caretaker's home at Aldersgate Methodist Camp. Seven persons attended Senior High Laboratory School at Junaluska. Eleven youth attended the youth and missions conference and ten attended the Southeastern Jurisdiction Youth Week.

The conference youth director served as camp director at Aldersgate during this conference year.

Training sessions attended by the director were: training on youth curriculum at Junaluska; National Youth Directors Conference; and, regional workshop on small group camping. The director also participated in the Attorney General's Conference on Juvenile Delinquency which also included youth from the Kentucky Conference.

During the coming conference year, all the activities of the previous year will be repeated with the addition of a conference drama team, Inner-city Workshop at Wheeling, West Virginia, and additional training programs for officers and counselors.

Adult Work

In the area of adult education, the work of the board has been centered on a New Day in Christian Education.

In each district interboard school in September, a class was held for church school administrators to help them understand the principles of a new day and ways of planning for it in the local church.

In the fall 14 new day workshops were held across the conference for teachers of adult classes reaching over 450. The workshops, based on Harold Minor's book *New Ways for a New Day*, dealt with theories of learning, methods of teaching adults and the relation of new curriculum resources to a new day in Christian education.

In April most Methodist adult periodicals carried a special study called "Preparing for a New Day." To help teachers understand and use this unit, 21 sub-district workshops were conducted by district teams trained especially for this. Over 600 teachers participated in these workshops.

In September 1967, the first and basic series in the new curriculum resources will be available. *Foundation Studies in Christian Faith* is a two-year study designed to give a firm foundation for each Christian adult to build a more adequate life of service. To help teachers gain skill in the use of the series, sub-district curriculum workshops

will be held in July and August.

Last summer four people from the conference, in addition to interboard staff members, participated in leadership training courses at Lake Junaluska. This year we will provide scholarships for five leaders to participate in adult laboratory or leadership courses.

Committee on Family Life

The Committee on Family Life re-emphasizes the goals and programs for both the year and the quadrennium, as follows:

Encourage families to use Thanksgiving and Christmas Worship materials, observe Family Prayer Sunday the first Sunday in January, and National Family Week the first week in May with a Children's Day program for the first Sunday in May and Christian home observance program the second Sunday in May.

One family attended the Southeastern Jurisdiction Family Life Conference at Lake Junaluska.

Seventeen delegates from the Kentucky Conference attended the Fifth National Conference on Family Life at Chicago in October.

These persons were invited to meet with the committee on family life.

The committee worked with a family life committee from the Lexington District in setting up a district-wide workshop on planning the local church's family ministry. Dr. Leon Smith of the General Board of Education led this workshop on May 12. The committee is studying the possibility of having a similar program on a conference-wide basis, April 20, 1968. To help give guidance to local church committees on family life, a course will be offered at each district interboard school.

Music Workshop

A conference-wide music workshop was conducted in the First Methodist Church, Covington, in May under the direction of outstanding leaders. It was sponsored jointly by the Board of Education and the Kentucky Conference National Fellowship of Methodist Musicians.

Committee on Certification

The Board of Education recommends that the following persons be certified as listed below:

HAROLD F. GARDNER, Chairman

Camp Committee

This report of the Camp Committee will cover only capital improvements at Aldersgate Methodist Camp, Ravenna, Kentucky. The report on program and related items will be included in the report of the staff of the Interboard Council.

The Camp Committee began this conference year with certain funds available for capital improvement. They were

Funds transferred to Interboard Council from Board of Education account designated for camp improvement	\$11,673.19
Funds raised by the conference MYF designated for renovation of swimming pool and paving area under lodge	2,881.63
Funds from current operation of the camp designated for capital improvement	2,817.09
	<hr/>
	\$17,371.91

From these funds the following improvements have been completed at the cost listed below:

Renovation and fencing of swimming pool	\$ 1,681.63
Paving of utility area under lodge	1,200.00
Cabins (8)	6,520.80
Beds and mattresses	280.58
Pump repairs	291.50
Misc. hand tools for small group activities	260.00
Caretaker's home	5,585.00
Pickup truck	1,162.00

TOTAL EXPENDITURES \$16,941.91

BALANCE OF FUNDS due to be spent on capital improvements 430.00

The improvements listed above have made Aldersgate Camp a much more adequate and attractive camping facility. It now has comfortable sleeping quarters for 64 campers in the cabins and an overflow capacity for 28 additional campers in the tents that were previously used. The caretaker's home is comfortable and adds to the appearance of the camp rather than detract as did the old residence previously used.

The camp committee is deeply grateful to the conference MYF for funding the renovation of the swimming pool and the paving of the utility area under the lodge. The pool will add much to the camping experience and is now ready for use this summer.

The Camp Committee also expresses its appreciation to the Interboard staff for their assistance in carrying out the program of camp improvement this year. Many of the projects could not have been completed successfully without their diligent oversight.

We also express appreciation to the churches that pay their apportionment to the camp fund. This support makes it possible to meet the annual amortization requirement of \$10,000 and leaves a small balance for current operation and improvement. We appeal to all churches in the conference to pay their camp apportionment in full. For many years receipts to the camp fund have fallen about twenty-five per cent below the amount apportioned thus depriving the camp of funds badly needed for operation and improvement.

We recommend that the apportionment for Aldersgate Camp be \$20,000.00 and that the Commission on World Service and Finance make this apportionment a preferred claim.

We also recommend that the churches in the conference support the program of activities at Aldersgate Camp this summer by sending their youth and by helping provide the staff needed to execute the camp program.

Higher Education

Our conference has just completed its eleventh year of an increased challenge of itself in the realm of higher education. The results are not commendable. There has been an increase of the sense of responsibility for our three colleges in the Louisville Area. We are giving much more to higher education than we did eleven years ago. These three successive quadrenniums of emphasis on higher education have led our people to more gratitude for the many improvements in our colleges. More and more of our Methodist people are becoming aware of their excellence, and as a result these institutions are also more surely participating with the whole church in the fulfillment of its mission in the world.

Yet, we realize that the accomplishments of the last eleven years have brought us to a serious and perhaps crucial position. The Methodists of Kentucky deserve eloquent appreciation for their renewed concern for their colleges, yet we cannot afford complacency. Our abounding society, amidst inflationary conditions of the general economy, requires the doubling of our efforts if we are to maintain and continue the quality of the church's witness in higher education. As we commence the last year of this quadrennium let us conscientiously endeavor to attain the goals of the 1964 General Conference which we accepted for ourselves.

In keeping with the recommendations of the General Conference and our own needs in Kentucky we recommend:

1. The coming year will be the fourth year of this quadrennium and so we recommend that our conference endorse the goal of higher education support at the rate of \$2.00 per member. Each district is to be assigned a percentage of this

- goal on the same basis of assignment to the districts as is used in the World Service Formula for such apportionments.
2. That district superintendents, pastors, laymen continue to offer leadership, information, and inspiration concerning the actions of our conference in the area of higher education.
 3. That strict adherence be given to the requirement that each pastor supply the district superintendent the names of the high school juniors and seniors in their churches.
 4. That every Methodist in the Kentucky Annual Conference be informed of the significance of the Race Relations Sunday Offering.
 5. That every church observe Methodist Student Day and Student Recognition Sunday.

Campus Ministry Report

The ministry of the Church to the students on the campuses of the institutions of higher education is more important, more challenging, and more changing than ever before. The climate in higher education today, with the many social and athletic activities that go along with it, is not conducive to the traditional religious approach. Yet more potential leadership is concentrated on the campuses of these institutions than any other place in America. It is imperative that the Church face seriously its obligations and opportunities in the campus ministry.

The Methodist Student Work in the Louisville Area is projected on the campuses of five universities and fifteen other institutions of higher learning in Kentucky. There are Wesley Foundation buildings on the campuses of the University of Kentucky and Eastern and Western Kentucky Universities. These institutions, the University of Louisville, and Morehead State University have full-time ministers. Berea College has a part-time campus minister. The other institutions have adult advisors and counsellors, and student programs and activities. The Wesley Foundation buildings were largely made possible by Crusade Funds. These buildings, plus equipment and other investments, represent a capital investment of approximately \$250,000.00. The 1966-67 budget of the Inter-Conference Commission for the promotion of Methodist Student Work at these twenty institutions was \$49,875.00, plus an additional \$5,000.00 in emergency appropriations. The ICC is dependent upon the Kentucky and Louisville Conferences for its income. The Crusade Funds have now been exhausted and the responsibility rests upon the local churches in their support of the cause of Christian Higher Education, in which the campus ministry program shares with our church colleges. Much has been accomplished with relatively small resources, but the need and opportunity increases each year. On the university campuses enlarged attention is being given to graduate students. Counseling and creative dialogue in both planned and informal settings are important aspects of the campus ministry. An attempt is made to minister to and work with the Faculty and Administration, realizing that members of the Faculty are in a strategic position in the teaching and counselling of students, and that any Christian influence brought to bear in this relationship is vitally important in making meaningful the "Christian presence" on the campus. An attempt is made to give helpful assistance in Christian orientation to campus life for the new student and to foster and help nurture a maturing concept of Christian identity and integrity in a world of change. Our Wesley Foundations sponsor and support worship and study opportunities and involvement activities in which students are the primary participants as they give expression to their Christian faith. Reports for the school year 1966-67 indicate that there are 9,947 Methodist-preference students in the institution of higher learning in the Louisville Area, and that approximately 2,200 are reached through the Methodist Student Program and the campus ministry. This vital area in the outreach of the church deserves our careful consideration and enlarging support.

Recommendations

We recommend that Methodist Student Day be observed the second Sunday in June, at which time the Methodist Student Movement Loan Program be emphasized.

We recommend that Christian Education Week, beginning the last Sunday in September, be observed with a special thrust on Christian education.

We recommend that Student Recognition Sunday, the last Sunday in December, be observed, at which time the church college and Wesley Foundation are emphasized.

We recommend that National Family Week, which begins the first Sunday in May, be given special emphasis.

We recommend that the fourth Sunday church school offering be applied on World Service.

We recommend that the fifth Sunday Church School Offering be sent to the Methodist Home, Versailles, Kentucky.

We recommend that Race Relations Day offering be directed to Paine College, Augusta, Georgia.

We recommend that church school Rally Day asking of \$2,500 be included in the Roll Call.

We recommend that our Kentucky Annual Conference accept the challenge of raising the General Conference goal of \$2.00 per member for higher education—\$1.50 for our colleges and .50 per member for our Wesley Foundations.

We recommend that the apportionment for Aldersgate Methodist Camp be \$20,000.00.

We recommend that the Camp Committee continue the plan of development, operation, and expansion as provided in the master plan as time, needs, and funds dictate.

We recommend that the administration policies and programing of Aldersgate Methodist Camp shall be under the direction and control of the Camp Committee with the approval of the Board of Education.

REPORT NO. 8

COMMISSION ON CHRISTIAN VOCATIONS

The Commission met four times during the year, twice in Lexington and twice in Berea. In addition, there were numerous separate meetings of the various program committees.

The following projects were sponsored during the year:

1. A Workshop for District leaders in Christian Vocations was held at Boone Tavern, Berea, on June 27. Leadership was provided by Dr. Richard H. Bauer, executive secretary of the Interboard Committee on Christian Vocations, Nashville, and Mrs. Fred Pfisterer, chairman of the Louisville Conference Commission on Christian Vocations. Emphasis was directed toward use of the study guide for "You and Your Life's Work" in local church programs.

2. The Commission on Christian Vocations of the Kentucky and Louisville Conferences jointly sponsored two lectures on Christian Vocations and the Biblical concept of "Call" at Pastors School in August. The speaker was Dr. Arthur Hopkinson, Interboard Committee on Christian Vocations, Nashville.
3. The Guidance Consultation program which brings together high school guidance counselors and ministers was continued for the fourth year. Initiated as one of several national pilot projects sponsored by the Interboard Committee on Christian Vocations, our Kentucky Conference program moved to a joint effort with the Louisville Conference for the second year, then became an interdenominational activity in cooperation with the Kentucky Council of Churches the third year. This year two interdenominational, inter-conference Guidance Consultations were held, one in Cave City, February 2-3, and the other in Harlan, February 24.
4. The Conference on the Ministry, conducted for several years by the Commission and Union College, and the general Vocational Guidance Conference started last year were combined this year into one Vocational Guidance Conference specifically designed for high school juniors and seniors considering full-time church vocations. The leadership of Miss Betsy Ewing, executive secretary of Deaconess Work, New York City, was provided through cooperation with the Woman's Society of Christian Service of the Kentucky Conference. This conference was held in Lexington on April 8, 1967.
5. The Christian Vocations packet prepared by the Interboard Committee on Christian Vocations and the booklet, "Methodist Church Related Occupations, 1967," were purchased and distributed to all high school guidance counselors in the Kentucky Conference, to all participants in the Guidance Consultations, and to all participants in the Vocational Guidance Conference.
6. The Vocational Guidance Secretary of the Commission, together with a special committee, worked out a system of vocational commitment records and data acquisition with the Executive Director of the Interboard Council. Information and questionnaires were sent to all pastors. A central file has been established in the Interboard Council office.
7. A special committee working with Dr. Homer Moore and the Cabinet devised a conference-wide promotional effort for Ministry Sunday. Communications were sent to all pastors. It is anticipated the very modest program initiated this year will be significantly expanded next year.
8. A new publication by the Interboard Committee on Christian Vocations, "Personnel Listing," is being distributed regularly by the Commission to appropriate officials within the Kentucky Conference. It lists persons seeking employment in church-related positions, and position vacancies. Anyone desiring to have their name added to the mailing list to receive this quarterly publication should notify the Chairman of the Commission.
9. A proposal was forwarded to the Interboard Council asking that consideration be given to the publication of a high-quality promotional piece for general distribution dealing with Methodist colleges and other Methodist educational programs in the Louisville Area. The primary purpose of the publication would be student recruitment for our Kentucky institutions.
10. A request was forwarded to the Interboard Committee on Christian Vocations asking that Lexington be considered as a site for one of the Regional Seminars for conference leaders in Christian vocations being planned for 1967. Lexington was subsequently chosen for a multi-state Seminar which was held on April 12-14. It was attended by eight Commission members.
11. A request was forwarded to the Executive Director of the Interboard Council asking that the filmstrip, "First Things First," be purchased for the conference audio-visual library. This Christian Vocations resource is now available. Its use on Ministry Sunday was encouraged.

The following program is projected for the new conference year:

1. A continuation of the Guidance Consultation program in cooperation with the Commission on Christian Vocations of the Louisville Conference and the Kentucky Council of Churches.
2. A continuation of the program to distribute Vocational Guidance packets to high school guidance counselors and others.
3. Conduct a pilot program in the Covington District designed to promote greater

attention to church-related vocations among selected high school guidance counselors.

4. A Vocational Guidance Conference for high school juniors and seniors interested in considering full-time church vocations will be held on November 11, 1967.
5. Ministry Sunday will be observed on April 28, 1968. A promotional program will be launched to urge pastors to emphasize ministerial recruitment and give time on that day to discussing the meaning, purpose and role of the ministry. A pilot program at the District level is being considered.
6. To further emphasize recruitment for full-time church employment, it will be urged that each District Superintendent ask the following question at every Fourth Quarterly Conference: "During the past four years, who has made a commitment to church-related vocations?"
7. An In-Service Training Program for college students who are considering church-related vocations will be launched in cooperation with appropriate college and conference officials.
8. A monthly bulletin will be prepared and distributed to all pastors and local church Christian Vocations Secretaries which will contain information and guidance related to Christian Vocations concerns in the local church.
9. It has been requested that the concerns and programs of the Commission on Christian Vocations be included in the 1967-68 Interboard Workshops.
10. A pilot program will be developed in one of the Districts for the motivation and training of local church Christian Vocations Secretaries.
11. A Leadership Institute will be held at Yokefellow House, Richmond, Indiana, for selected pastors and local church Christian Vocations Secretaries, pending solution of scheduling problems.

REPORT No. 9

BOARD OF HOSPITALS AND HOMES

We have had an exceptionally good year with our Hospitals and Homes Board, with the following outstanding achievements:

- A. The Good Samaritan Hospital Campaign in Lexington and Fayette County has reached the grand total of \$1,050,000.
- B. The Kentucky Conference Hospital Development Program has reached \$1,200,000 in pledges for The Good Samaritan Hospital in Lexington and The Methodist Hospital in Pikeville, Kentucky.
- C. Important improvements and new buildings constructed and dedicated at The Methodist Home, Versailles, Kentucky.

We are grateful for the cooperation of The Kentucky Methodist people who made these achievements possible. Under the inspiration of this success we are endeavoring to move forward in an even greater way during this Conference year of 1967-68.

Recognizing the tremendous needs that are so evident at The Methodist Home at Versailles, we recommend to the Annual Conference that a Special Offering be taken for The Methodist Home for Building and Endowment purposes on October 29, 1967. Since this is a regular Fifth Sunday, we urge that the Church School Offering be used for current expenses at the Home and that the Special Offering be used for endowment and for improvements.

I. Recommendations

- A. That we receive \$500 from the Commission on World Service and Finance for the expense of this Board.
- B. That Hospital Rally Day be discontinued for three years or for the duration of the three-year payment period of the Hospital Campaign.
- C. That the following Committee serve as a Follow-Up in the Hospital Campaign:
 - Rev. R. R. Patton, Chairman
 - Rev. Kenneth Clay
 - Rev. A. W. Sweazy
 - Mr. John C. Pratt
 - Mr. John B. Dupuy, Jr.
 - The District Superintendents

Because Medicare and the Medical Assistance Act will not pay for the fees for hospital-based specialists, new contractual agreements were drawn up with Dr. W. C. Morris, Pathologist and Dr. G. N. Combs, Radiologist. A great deal of time was spent in arriving at a mutually workable arrangement with these physicians in order to comply with the requirements of the Medicare Act.

As required, a Utilization Committee was formed July 1 to comply with rules set up under title XVIII of Public Law 89-97. The function of this Committee is to review Medicare cases, especially with reference to long-stay patients. The Committee, made up of five doctors, serves for a period of three months and rotates quarterly.

The Constitution and By-Laws of the Board and the Personnel Policies have been revised. Both were done by special Committees appointed by the Board.

This past fiscal year again saw a tremendous amount of activity and involvement on the part of the Board Members, citizens of the Community, and the Chairman of our Board of Hospitals and Homes, as well as people from other areas of the State in an effort to bring about a unification of the health facilities of the Community. These efforts culminated late in June when the purchase negotiations for the Appalachian Regional Hospital were completed. The price paid for the acquisition of the building and grounds was \$492,410.00. This is the proportionate amount represented by a mortgage held by the Federal Government against the ten hospitals of the chain. The Methodist Hospital acquired the local unit by assumption of the mortgage that pertained to the AR Hospital. The merger met the recommendations of the Advisory Council State Board of Health, Division of Hospital Facilities. The way was opened for our institution to become eligible for State and Federal funds for the replacement of our obsolete plant.

The former Appalachian Regional Hospital has been designated as Unit II and is being operated as a part of the total hospital facility. All of the Obstetrical Services have been placed at Unit II and all of the Emergency Room and Surgical Services have been placed at Unit I. We shall continue to review and plan for the most practical and economical operation of both units and changes will come as necessary.

In purchasing Unit II, it was necessary to pay additionally for the inventory of consumable supplies. This amounted to \$65,000 and it represented almost double the amount that we had been led to believe would be the total inventory. The acquisition of Unit II necessitated an equalization of salary and wage rates. This increased our payroll approximately \$20,000 per month.

A large outlay of cash at this particular time, along with the increased salary and wage scales, plus the lag in billing and collecting from third party payors for hospital services, placed the Hospital in a cash squeeze. Such a situation was not unforeseen by the members of the Board and it was anticipated that loans might have to be made in order to maintain sufficient cash for meeting operating expenses.

The purchase of Unit II also added nine new members to the Board of Directors and the membership now totals thirty. The new members are: Herbert Kincaid, Walter E. May, Mrs. Ethel Miller, Lon B. Rogers, Reverend Arthur L. Stanley, George Williamson, W. E. Blackburn, E. R. Hays, and Lonnie Johnson.

Our Church Conference is engaged in its finalization of plans for a Conference-wide drive in an effort to obtain \$500,000 toward a new facility. The architect's estimate for the new building and re-modeling is \$4,300,000. It is anticipated that Hill-Burton and Appalachian Funds will provide 80% of the total costs. The sale of the property at Unit I will probably bring \$400,000 or \$500,000. The balance will be raised through a county-wide fund drive and if additional funds are necessary, the Board will seek commercial financing.

In planning for a new facility, out-patient services such as Clinics and Home Care Programs will be carefully considered for the trend in health care as in this direction rather than on in-patient care.

With the completion of the new facilities, not only will a greater number of employees be needed but there will be needed a higher quality and more knowledgeable individual in order to man the modern, up-to-date, automated equipment that will certainly become a part of the new hospital. It is not unlikely that in the operation of a new facility there will be employed at least 500 employees in the various positions available throughout the Medical Complex. In addition to providing superior medical and hospital care, this will create a substantial contribution to the economy of the area and particularly to the city of Pikeville.

The Civil Rights Act and Medicare are already history. We shall continue to abide by requirements that are Federally imposed as a result of this Legislation. The Minimum

Wage Bill has also been signed and its impact was felt by all hospitals on 1 February 1967. There were three provisions which directly affected and still affect all hospitals. The first provision is the setting of a minimum wage at \$1.00 per hour. These wages will be increased by steps in succeeding years until it reaches \$1.60 per hour on February 1, 1971. The Law also provides for overtime pay with time calculated on a bi-weekly basis rather than on a weekly basis. It is evident from political trends that more hospital coverage to more people and on a broader basis will become a reality in the near future. Hospitals will again experience economic and social difficulties.

Since the Nominating Committee of the Board does not meet until April 10th, the Board of Directors wishes to postpone its recommendations for appointments of those members whose terms expire in 1967. This information will be submitted in sufficient time for your consideration.

Respectfully submitted,
EUGENE LOPEZ, Administrator

(c) Good Samaritan Hospital

The past year at Good Samaritan Hospital has been an extremely busy one. Not only has the volume of service to patients been maintained at approximately the same level as previous years, but the Board of Trustees, Medical Staff and personnel staff have expended innumerable hours in activities related to the hospital's rebuilding program.

In addition to the day-to-day affairs of the hospital and those functions concerned with the building program, a great deal of time on the part of many people was required in the implementation of Medicare on July 1, 1966 and the inauguration of the amendments to the Fair Labor Standards Act on February 1, 1967. Both of these programs have had a marked effect on the operation of the hospital.

A review of the volume of service rendered by the hospital during the fiscal year ending June 30, 1966 does not provide an accurate picture of the amount of service being rendered during the current year as the present fiscal year has seen an increased volume in practically all services. The notable exception is in the maternity service. Nevertheless, the major statistics for the year ending June 30, 1966, which are provided for informational purposes, are as follows:

Adults and Children Admitted	9,777
Babies Born	759
Patient Days of Care (including newborn)	70,086
Average Daily Census	192
Number of Surgical Operations	5,633
Number of Emergency Patients	19,010

Since the advent of Medicare, there has been a slow but constant increase in the number of patients receiving care and the volume of services rendered. Approximately 27% of the patients admitted since July 1, 1966 have been Medicare recipients, and 36% of the patient days of care provided since that date have been for those patients.

In addition to the increase in services caused by Medicare, the program has had a profound effect on the hospital's financial status in that the institution's accounts receivable have increased over \$200,000 during the past several months. This has caused an interruption in the hospital's cash flow which, in turn, has prevented prompt payment of the institution's creditors. This problem is gradually being resolved through internal measures and more prompt payment by the Medicare fiscal intermediary, but it is anticipated the situation will continue to exist for the next several months.

The community phase of the Good Samaritan Hospital Building Fund Campaign has continued on a quiet basis since the fund-raising counsel completed its work the latter part of July. To date, approximately \$1,050,000 has been pledged in the local campaign. An intensified effort to reach the goal of \$1,302,400 is scheduled for the month between March 28 and April 28, 1967.

At the present time the architect is completing the final plans and specifications for the construction project, which will move forward on the following schedule:

- May 15, 1967—Completion of working drawings and specifications
 - May 15 to June 15, 1967—Review of plans and specifications by U. S. Public Health authorities
 - June 15, 1967—Submission of plans and specifications to contractors for bids
 - July 15, 1967—Receipt of contractors' bids
 - August 1, 1967—Awarding of contracts
- The architect has estimated a completion time for the project of 24 to 30 months.

Because Medicare and the Medical Assistance Act will not pay for the fees for hospital-based specialists, new contractual agreements were drawn up with Dr. W. C. Morris, Pathologist and Dr. G. N. Combs, Radiologist. A great deal of time was spent in arriving at a mutually workable arrangement with these physicians in order to comply with the requirements of the Medicare Act.

As required, a Utilization Committee was formed July 1 to comply with rules set up under title XVIII of Public Law 89-97. The function of this Committee is to review Medicare cases, especially with reference to long-stay patients. The Committee, made up of five doctors, serves for a period of three months and rotates quarterly.

The Constitution and By-Laws of the Board and the Personnel Policies have been revised. Both were done by special Committees appointed by the Board.

- June 15, 1967—Submission of plans and specifications to contractors for bids
- July 15, 1967—Receipt of contractors' bids
- August 1, 1967—Awarding of contracts

The architect has estimated a completion time for the project of 24 to 30 months.

The estimated total cost of the project has now been established at \$7,327,944. It is recognized that this cost is substantially higher than the original estimate of \$4,604,800 made in October 1964. There are a number of valid reasons for this increase. The major ones include 1) the addition of one more floor to serve as a mental health facility; 2) an increase of 14,800 square feet in the size of the building to provide more adequate surgery, x-ray and laboratory facilities; 3) the fees for a hospital consultant to assist in the layout and design of the building; 4) increase in the scope of the renovation of the existing 1954 building; and 5) reestimation of the equipment needs for the new hospital based on the evaluation that most of the hospital's present equipment will not be reusable due to obsolescence.

The following is a breakdown of the sources of funds to construct and equip the new hospital:

Good Samaritan Building Fund Campaign (stated goal)	\$1,302,400
Kentucky Conference Hospital Development Program	
(GSH portion of stated goal)	1,000,000
Federal Hill-Burton Grant (maximum allowable)	2,352,008
Federal Mental Health Grant (maximum allowable)	616,082
State Mental Health Grant	173,956
Capital Financing	1,888,498
	<hr/>
	\$7,327,944

The above assumes that the goals of both fund-raising campaigns will be reached and that the maximum Federal grants will be obtained. If the amounts received are less than those indicated, the amount of capital financing must necessarily be larger.

It is the plan of the hospital to liquidate its capital indebtedness through operations in the same manner that it has been liquidating its current indebtedness. With a vastly more efficient physical plant, operating economies are anticipated from which payments on both principal and interest will be made.

To rectify the institution's current financial status as well as to lay the groundwork for more efficient operation in the new hospital, the Board of Trustees has adopted a stringent resolution concerning the volume of charity which will be accepted by the institution. Basically, this resolution states that Good Samaritan Hospital will provide charitable services only to the extent of the institution's financial capabilities. This action was prompted by the fact that during the past 5½ years the hospital has provided over \$1,260,000 of care for which it has not been reimbursed. It is anticipated that through a reduction in charity services plus other operating economies the hospital can be operated on a sound financial basis.

At its meeting on March 31, 1967, the Board of Trustees unanimously recommended that the following individuals be reappointed to the Board of Trustees with terms to expire in 1971:

Donald R. Herren
Arch G. Mainous, Jr.
Foster Ockerman

REPORT NO. 10

BOARD OF LAY ACTIVITIES

The Conference Board of Lay Activities has been assigned responsibility for the areas of Stewardship, Methodist Men, Lay Speaking, and Lay Leadership Training. It has been the goal of your Conference Board to work within the framework of the areas assigned to the Board and to cooperate with all boards and agencies of the church in carrying on a progressive lay program in the conference. The Conference Board has sponsored during the past year:

1. The attendance at the Southeastern Jurisdictional Laymen's Conference at Lake Junaluska and received the award for having the largest percentage of increase in attendance over the previous year;

2. The annual conference lay retreat, held at Sue Bennett College in August and had an attendance of approximately 175 persons;
3. Laymen's Day, observed in approximately 80% of the churches in the Kentucky Conference in October, and the cooperation between the pastors and the lay board was excellent;
4. The second session of the Lay Academy, held in October and November in Lexington, with approximately 25 persons participating;
5. An active program of stewardship presentation, carried out through workshops and other training programs on the levels of children, youth and adults;
6. In the area of Methodist Men several new Methodist Men's groups have been organized and numbers of inactive groups have been reactivated. The Conference Board feels the areas of work now for the Methodist Men lie in the area of organizing churches, on a circuit or county-wide Methodist Men organizations, to encourage smaller groups to work together and form a Methodist Men's group;
7. In promoting the conference program of trained lay speakers, the Board has sponsored lay speaking courses in the districts throughout the conference, and many trained and qualified laymen are completing their lay speaking courses and will be certified by the end of this conference year; and
8. Training sessions have been held in leadership development for local church officers and members of the annual conference throughout the conference. The lay board sent each lay member of the annual conference a booklet on the responsibilities and obligations of the lay member to the annual conference.

Conference Program for the Year 1967-68

GOALS:

1. Promote a conference-wide Bishop's Convocation on Stewardship.
2. Sponsor a stewardship workshop in each district emphasizing "Time-Talent-Tithing-Witnessing."
3. Emphasize stewardship for children and youth.
4. Encourage the establishment of seven new sub-district or county Methodist Men's organizations.
5. Continue and expand the use of the rating system for Methodist Men's organizations.
6. Sponsor a training session for Methodist Men's officers in each district.
7. Raise the money to pay for the construction of two cabinets at Camp Aldersgate. \$1,700 is to be raised through local Methodist Men's organizations.
8. Set an attendance goal of sixty from the Kentucky Conference to the Southeastern Jurisdictional Laymen's Retreat at Lake Junaluska, July 27-30, 1967.
9. Set an attendance goal of 250 for the conference lay retreat to be held at Cedarmore Assembly grounds September 29, 30 and October 1st.
10. Organize two lay schools of theology in the Kentucky Conference, at least one, possibly both, outside the Lexington District.
11. Lay speaking training courses to be continued in each district and continuation of certifications, requirements, and goals.

TELEVISION, RADIO AND FILM COMMISSION

Regarding the purposes and policies set forth in its 1965 Annual Report, the Kentucky Conference Television, Radio, and Film Commission confirms these purposes and policies, reports further progress in their implementation, and challenges the Conference in general, and the leaders of its programming agencies, etc., in particular, to enable themselves to do better work by making greater use of the services that are available through their Conference TRAFCO.

We call your attention to the area of Broadcasting and the services which are to be had here. Donald K. Scilley is our Chairman.

In this area it is our purpose to have in every District more of our Methodist ministers, and more of our fine pre-recorded Methodist radio programs, heard on more radio stations, more frequently, and with more quality, and to do the same with regards to television.

To implement this purpose we have available services such as "The Word . . . and Music" (a radio script service), "American Profile" (a pre-recorded TRAFCO production) "Breakthru" (a TRAFCO produced children's T.V. program), and etc. We stand ready to set up radio and/or T.V. broadcast training sessions, which will assist our men in better use of these media, and ready to inform interested individuals regarding these services and other training opportunities, and ready to give assistance in using such.

Implementing our desire to be of service, the Broadcast Chairman has made provision for the tape recording of the entire proceedings of our Annual Conference. These recordings, which are to be retained as a permanent record, assist the Conference Secretary in achieving his desire for the greatest possible accuracy in preparing the Conference Minutes, and make it possible for interested parties to have copies of the proceedings.

We now call your attention to the area of Audio-Visuals and the services which can be had here. Howard W. Reynolds is our Chairman.

In this area it is our purpose to increase the size and profitable use of our A-V Library, and A-V's available, facilities for handling, and the use of thereof all are increasing.

We challenge those in charge of Interboard Schools, Rallies, Institutes, Workshops, Conferences, Retreats, Camps, Assemblies, and other such meetings to contact District TRAFCO Secretaries and/or the Conference A-V Chairman regarding A-V tools available; to use these tools, and to promote their use. We challenge these same people to make known to the Conference A-V Chairman those films, filmstrips, etc., that they consider needful to have in our Library. We challenge also, each of you to call on your District Superintendent and your District TRAFCO Secretary to have District or Sub-District A-V training sessions, and to inventory available A-V equipment and implement joint use thereof in your District.

We challenge our churches to join the A-V Library by sending the \$5.00 annual fee to Interboard Council, 200 West Second Street, Lexington, Ky., 40507, and, with the help of the catalogue, put these tools to work.

We now call your attention to the area of Finance. Glenn Courts is our Chairman.

In this area it is our purpose to be of service to you in helping you relieve yourselves and your people of the money that supports General Conference TRAFCO work. Our Conference is asked for \$3,000 for this T.V. Ministry Fund. Using faithfully the promotional pieces that come from the Central Office of Promotion and Cultivation will assist your people in becoming informed, and interested, and, even perhaps, happy givers. We commend their use.

Our Budget requests for the coming year and our expenditures in the past year are in the report of the Interboard Council and the Conference Treasurer.

Now this final word. It is our purpose in TRAFCO to try to help Methodist people live creatively with what Dr. Gene Carter calls "that one influence in our lives which has a greater moral impact on us than that of all the churches together," namely T.V.

To implement such an ambitious purpose we propose that Television Evaluation Month be observed in the Kentucky Conference in October, 1967, so that our people may be encouraged to think about T.V. and their experiences in viewing it; to consider its potential moral and ethical influence; to become its evaluator rather than continue as its uncritical consumer; and to learn how to effectively register their opinions concerning it.

The tools for implementing this program will be a planning packet for pastors, appropriate filmstrips and posters, and a booklet for each family in the Church. These tools will come from the Central Office of Promotion and Cultivation through our Interboard Council Office, and will be provided cost-free to the local church.

We challenge the Conference to adopt this proposal, and we challenge every local church and pastor to make full use of these tools, in hope that a truly marvelous medium for communication will not become a one-eyed monster that degrades and destroys those who sit before it.

TRAFCO stands as a willing servant, ready to help you more effectively implement the work of the Kingdom. Call on us. Until you thus open the door, we will be much like fertilizer stored in the barn—having great potential but giving little fulfillment!

RONALD J. MASTERS, Secretary

REPORT No. 12
COMMITTEE ON PUBLISHING INTERESTS
Together Campaign

One of the principle interests of this committee is TOGETHER Magazine. A campaign has been planned by the committee with the aid of Dr. George Curry, associate publisher of the Methodist Publishing House. This campaign has the full backing of Bishop Short.

In order to make this campaign a success it is necessary that each pastor give his loyal support. Each church is to have a TOGETHER Agent which may be appointed by the pastor or the official board. The Together agent is to see the details of the campaign and materials for promotion will be mailed directly to this person. Therefore it is necessary that the District Superintendent and the District Secretary have any changes of names or addresses since last year in order that this list may be up to date. Although the Together agent is in charge of the details of the campaign it will be necessary for every person to promote this vigorously.

Goals

The total circulation of TOGETHER, our Church Family magazine, now stands at 690,000, (the entire Methodist Church). The Southeastern Jurisdiction is lowest in subscriptions. And although our area and conference stands at the top of the list in the Jurisdiction, we are still somewhat below the national ratio, which is one subscription per every fourteen Methodists. Also it must be noted that we have lost in subscriptions in the Kentucky Conference in the past year. All of these facts mean that an active campaign is needed. Our goal will be one in ten. Therefore, we will strive to secure 3,000 new subscriptions. Each church is asked to set its own goals taking into consideration the above facts.

It should be remembered that in addition to the magazine itself, that the Publishing House prints the area news as an insert each month. The *Together Area News Edition* (TANE) increases the value of the magazine greatly.

Methodist Approved Literature

Again we urge each pastor who has classes in the Church School that are not using Methodist Literature to do all possible to see that this is changed. He may appeal to the resource persons of the Interboard Council or members of this committee for help in this matter. Also he may write Cokesbury in Nashville requesting one copy of each piece of literature, stating that his church does not use Methodist Literature, and these will be sent free of charge for study by the Commission on Education and the various teachers.

We recommend the workers of the Interboard Council for the promotion of the new adult literature which will be used in our church schools next September.

Church Libraries

There are now more than 11,000 church libraries registered with Cokesbury. Your committee encourages the establishment of a library in every church to promote reading and study among church members.

Services of the Publishing House

Through the Cokesbury book stores, for those who are close enough to take advantage of these, and through mail orders to Cokesbury, 201 Eighth Avenue South, Nashville, Tennessee 37203, the full range of books and church supplies are made available to the churches, their pastors and members. Properly ordered, materials are sent, and received, usually within a very few days.

The Methodist Publishing House, the largest denominational publishing house in the world, was brought into being in the year 1789, by action of the General Conference.

Noteworthy accomplishments of the past several years bear witness to the continued growth of Publishing House service—*The Interpreter's Bible*, *The Interpreter's Dictionary of the Bible*, *History of American Methodism*, *Young Readers Bible*, *Book of Worship*, *The Methodist Hymnal* and the new curriculum materials for children. Each of these publishing achievements is making a significant contribution to the life and work of our church. Continued interest in and use of these publications is exemplified by the fact that 81,555 volumes of *The Interpreter's Bible*, published nearly fifteen years ago, were purchased by churches and individuals in 1966!

Cokesbury, distributor of materials produced by our Publishing House, reports a fine reception of the new *Methodist Hymnal* with orders received for more than 2,650,000 copies as of December 31, 1966. The two millionth copy of the Hymnal was shipped in February, 1967.

Other highlights of recent Publishing House activity, as reported in *Focus On Service, 1966*, the Publishing House's annual report of the church, include the following:

- Graded Press received an American Film Festival Blue Ribbon Award for "Dealing With Conflict," a preferred children's filmstrip.
- Total distribution of Abingdon Weekly Church Bulletins amounted to 84,245,100.
- More than 170,000 copies of the *Young Readers Bible* have been purchased.
- Circulation of church school publications average 7,454,738 pieces per quarter in 1966.
- Abingdon published 105 new books during the year; thirteen were Book Club Guild selections.
- Net sales of products, used as a measure of service, reached \$33,827,441.
- The Board of Publication appropriated \$700,000 for the fourth consecutive year for the support of conference claimants. Of this amount, the Kentucky Conference receives, \$8,514.63.

The filmstrip "The Methodist Publishing House, What Is It? Where Is It?" continues to be a valuable tool for telling the Publishing House Story. You may receive this filmstrip for showing in your church, free of charge, by writing the chairman of this committee, one of the district secretaries, or the film library of the conference.

REPORT No. 13

COMMISSION ON WORLD SERVICE AND FINANCE

Section 1. We recommend that the askings of the Council on World Service and Finance be as apportioned to the Conference—\$130,380.00.

Section 2. We recommend that the Annual Conference require each Board, Commission, Committee and Agency to send to the Interboard Council and the Conference Commission on World Service and Finance an itemized report of their activities for the current year with their request for funds for the coming year, at least 45 days before the Annual Conference convenes. Failure to comply will result in request for funds not being recommended as the Discipline directs.

Section 3. We recommend that churches having a change in pastors pay the moving expense of the incoming pastor, and that the moving expense of incoming District Superintendents be paid out of the District Superintendents' Fund.

Section 4. We recommend that the Annual Conference require each District Superintendent to file an itemized list of the expenditures of the District Promotional Fund with the Commission on World Service and Finance at least 45 days before the Annual Conference convenes. This fund shall be printed in the Conference Journal.

Section 5. We recommend that the Annual Conference approve the goal for Higher Education of \$2.00 per member.

Section 6. We recommend that the fifth (5) Sunday offering of the Sunday School be designated for the Methodist Home in Versailles, and that a special offering be taken October 29th for the Methodist Home to be used for capital improvements and endowment.

Section 7. We recommend that in the future all financial campaigns be restricted to a maximum of three (3) years, and that they be closed at that period without extension.

Section 8. Again, we cite paragraph 810, page 276, of the 1964 edition of the Discipline of The Methodist Church which states,—"No Annual Conference Board or interest, such as school, college, university, or hospital, shall make a special conference-wide appeal to the local churches for funds without the approval of the Annual Conference, except in extreme emergency, when such approval may be given by a two-thirds vote of the District Superintendents and the Commission acting jointly."

It is the duty and responsibility of your Commission on World Service and Finance to make a diligent effort to secure full information regarding all conference benevolences and service causes, that none may be neglected, jeopardized, or excluded. We feel that there have been cases in which unauthorized appeals have been made to the

detriment of our annual conference programs. We believe that in some cases there is a misunderstanding as to the meaning of the term "Conference-wide" and henceforth shall define it as being any area beyond that over which the individual, board, or agency has direct control or supervision, such as pastors soliciting persons other than their own congregation, or agency, minister or layman making unauthorized appeals.

Section 9. We recommend the payment of seven (7) cents a mile by all boards for traveling expense.

Section 10. We recommend that on those charges which have not reflected an increase in pastor's salary in accord with the increase in living cost in recent years, that the District Superintendent urge the increasing of the pastor's salary at least 5% at the first Quarterly Conference; and that in those charges where the pastor's salary has been consistently increased over the years, the District Superintendent is to encourage the continuance of the increase so as to reflect the increase in current cost of living.

Section 11. The Commission on World Service and Finance is concerned with the apparent inadequacies of pastors' salaries throughout the conference. We recommend that a study be made of the pastors' salary structure throughout the Kentucky Conference and that the sense of the Conference be taken on the desirability of this study.

Section 12. We recommend that an apportionment across the Conference on the World Service formula of \$9,250 for the HMEP (retired ministers and widows for the Conference).

Section 13. We recommend that the Interboard Council be allowed to borrow up to \$10,000.00 for operational expenses in any given year.

REPORT NO. 14

HOSPITAL CAMPAIGN

We are pleased to present this report for our Kentucky Conference Hospital Campaign for healing. The response of our people to this appeal demonstrates once again that our Methodist people are loyal to our church and to its institutions of healing.

We are grateful to Dr. Forrest Hedden for his wise counsel and to Dr. Wilburn S. Yoder for his untiring labors in promoting the cause of our Kentucky Conference program of healing invested in our two hospitals—The Good Samaritan Hospital in Lexington, Kentucky and the Methodist Hospital in Pikeville, Kentucky. Dr. Yoder worked constantly not sparing himself to promote the campaign in our conference. We desire to express also our appreciation to Mrs. B. L. Taylor for her work as secretary in the campaign office. Both Dr. Hedden and Dr. Yoder were assigned to us from the Finance and Field Service from the Section on Church Extension of the National Division of the Board of Missions. Our Bishop, Roy H. Short, most ably assisted in many ways. He spoke in the seven District Rallies throughout the conference and in every District his message was received with great appreciation. We could not have succeeded without his leadership.

Our District Superintendents cooperated and each worked hard in his District to achieve the goals of the campaign. Our pastors gave themselves to the cause and worked to promote its success across the conference. Our Methodist people in our churches responded with sacrifice and devotion, demonstrating once again that our people have faith in the church and its mission. They demonstrated that they believe in our institutions of healing as one of the means of fulfilling their commission received from our Lord.

The members of the Hospital Campaign Committee deserve much credit for their untiring devotion as they gave of their time in promoting and counseling for our hospital program.

We would also like to express our appreciation to Dr. Frank King, Council Director and Basil Hayden, Treasurer and all the other members of the Interboard Council for their wholehearted spirit and labor in behalf of this essential program.

When we look back over the months that have passed and remember the heroic efforts of many who participated with their faith, prayers and giving we are constrained to say: "Behold, what hath God wrought."

The task is still unfinished. This however does not cause us to dismay. This is a challenge that we may keep alive the interest in this great cause and continue until it is finished. The pledges must be paid. The new hospitals must be built. Our interest and support of these institutions must continue as we march into the tomorrows into a new day of still larger service to the people of our State.

The campaign report will be printed in the Conference Journal District by District, and church by church. The financial record of payments made this conference year did not close till May 25, 1967. This was too late to be printed in the conference brochure. The report for each District will be given at the Annual Conference session.

REPORT No. 15

COMMITTEE ON MINISTERIAL EDUCATION FUNDS

The Committee on Ministerial Education Funds has granted seventeen (17) service loans in the total amount of \$7,750.00 during the 1966-67 Conference Year. One of these loans was made to an under-graduate in a non-Methodist college, four to Methodist seminaries, and twelve to those attending non-Methodist seminaries. The average loan per student was \$455.88.

The members of the Committee have carefully screened each applicant, and used the following for determining the allocation of the funds:

1. Recommendations by District Superintendent and school.
2. Financial need.
3. Promise of further usefulness of applicant to The Methodist Church and the Kentucky Annual Conference.

Each applicant when granted a service loan signs a note for the amount, plus 5%. If on completing his theological education, he does not return to the Kentucky Conference for a minimum of five years, he is morally and legally obligated to repay the principal of the loan, plus 5% interest.

One of the primary functions of this committee is to attempt to assist those young men who will ultimately supply the pulpits of our Conference. The financial needs of theological students grow each year, and we must keep pace with help we can supply.

We, therefore, recommend that the District Superintendents encourage all churches to accept the 1% asking, and each pastor and lay leader to urge his church to pay the full amount asked. This year, because of a lack of sufficient funds, we could not meet all the requests which came before us.

In accordance with the jurisdictional plan, half of the money contributed goes directly to our two Methodist Theological Schools: Duke Divinity School and Candler School of Theology. Therefore, in helping our seminaries, and the men from our Conference to train and be trained, we are developing those men who in the near future will assume places of leadership in our Conference.

The desire to see more young men accept the challenge of the ministry, and the constant demand for their services in the bounds of our Conference urge us to support this fund and their needs.

This is a challenge in which we all can serve, and share in the knowledge that those who serve our churches in the future were aided by those same churches through the 1% Fund.

THOMAS C. FORNASH, Chairman
T. O. HARRISON, Secretary

REPORT No. 16

BOARD OF PENSIONS

Your Conference Board of Pensions submits the following Report:

This report may well be more brief than it has been for the past several years. For eight years the Board of Pensions has been diligently working toward bringing the entire Conference into the Ministers Reserved Pension Fund. (Hereafter known as the M.R.P.F.) That was accomplished at the 1966 session of Conference.

The steps leading into full transition of the M.R.P.F. together with the financial program are presented in detail in the 1966 Journal on pages 141-146. Suffice it to say that all previous Entrants of the Conference—all eligible Full-time Supply Pastors—all Active members of Conference—all retired Ministers of the Conference and all widows of eligible pension rights are in the M.R.P.F. Your Board of Pensions regards this as a worthy accomplishment for this present quadrennium.

Your Board anticipates no new program for the Conference year 1967-68. Since the Conference operates on the quadrennial basis, other features of the M.R.P.F., including Total Disability and Death Benefits may be presented for this study in the new quadrennium.

Industry has given a new philosophy of Pensions. Once a Pension was regarded as a charity dole regulated by the attitude of the Employer. But not so today. The Pension is regarded as Deferred Salary, to which Employee and Employer contribute according to a fixed ratio upon the average wage or salary through employable years.

This is the philosophy back of the M.R.P.F.—Minister and the Conference both contribute to the Fund. The Conference contributes 9% of the average cash salary and the Minister contributes 3% of the same. The average cash salary for Pension computation during Conference year 1967-68 is \$5,523.00.

The General Conference has set the standard of every Conference paying a minimum of 1% of the average cash salary. Many Conferences have reached this standard and many have gone beyond it. Your Board of Pensions is reaching toward this goal as an accomplishment of the next quadrennium.

Your Board of Pensions holds a deep and profound conviction that there is a close relationship between a strong Conference and a strong Pension Program.

The Methodist Retirement Brotherhood

The Methodist Retirement Brotherhood of the Kentucky Conference was organized a number of years ago as an Investment agency of the Board of Pensions. The M.R.B. was incorporated so that it could solicit and invest funds and own and convey property and mortgages.

The M.R.B. throughout the years has been guided by consecrated Ministers and Laymen who have gone beyond the call of duty in gathering and safe guarding funds and investments. For many years the State National Bank of Maysville was the depository of M.R.B. funds. This Bank through its officials has been most cooperative in assisting the M.R.B. investments.

The Board of Pensions wishes to express its appreciation to the M.R.B. It would not have been possible for the Conference to be brought into the M.R.P.F. at this time had it not been for the cooperation of the M.R.B.

For many years membership in the M.R.B. and membership in the Conference was co-extensive and all members were required to pay the assessed dues. Since the General Conference has laid down the rule that no member of Conference can be assessed more than 3% of the average cash salary and since each member of Conference is assessed 3% as a member of the M.R.P.F., dues in the M.R.B. are no longer required. Membership in the M.R.B. and in the Conference remain co-extensive, and every member of the Conference is a voting member in the M.R.B. Since the M.R.B. as a corporator has wills, legacies, mortgages and properties, it is necessary that it be continued and make a report of its holding annually to the Conference session.

The M.R.B. forwards it proceeds to the Conference Board of Pensions, which is the disbursing agency for all Pension funds.

Hospitalization and Medical Expense Program (H.M.E.P.)

1. Effective March 1, 1967 the present \$7,500 lifetime all-causes maximum benefit payment for each age 65 and over pension enrolled in the HMEP was increased to \$10,000. This increase will apply to those who were confined on March 1, 1967, as well as all other enrolled persons.

2. Inquiries have been received from Annual Conferences participating in the HMEP concerning a possible premium refund similar to that made by the General Board of Pensions in May 1966.

From your knowledge of the provisions of The Methodist Church Group Hospitalization and Medical Expense Program you understand that, in this period of rapidly increasing medical costs, the HMEP will probably be paying out a higher total in benefits in the year ahead with the same premium income.

This estimate, on the basis of present information, is being sent for your use in budget planning which you may find necessary at this time.

3. The NET premium rate for the 1967-68 premium year beginning July 1967 are:

	Employee Only	Employee & Spouse Under 65 with or Without Children	Spouse only Age 65 or Over	Widow	Children of Widow or Spouse Age 65 or Over
Comprehensive ...	\$6.33	\$20.43		\$9.48	\$4.43
Major Medical ...	\$5.30		\$5.30	\$5.30	

General Recommendations

Your Board of Pensions makes the following recommendations:

1. That the Annuity Rate for Conference year 1967-68 be \$47.00.
2. That the M.R.P.F. be raised to a 24% assessment on the Pastor's basic salary.
3. That the minimum basic salary for Full-Time-Supply-Pastors be \$2,000.00.
4. That the Bishop designate Sunday, November 12, 1967 as Retired Minister's Day and that all churches of the Conference observe the Day in honor of the Retired Ministers, their wives and widows. The Board of Pensions will provide materials needed for the Day, if desired.
5. That the Ministers carefully observe the Disciplinary requirements of prorating all salary payments so that the M.R.P.F. receive the full apportionment askings. See *Discipline* 1624:1-3.
6. That all Special Appointments with Annuity claims be required to pay 9% of the average cash salary for the M.R.P.F.
7. That all Special Appointments who fail to pay the 9% be listed in the Journal as (Appointment Without Annuity).
8. That all those serving Special Appointments since 1950-1951, who have not paid the assessment on their professional income, be listed in the 1967 Journal as without Annuity for the years their assessments were not paid.
9. That the following Institutions be recognized for Annuity: Lindsey Wilson, Union, Kentucky Wesleyan and Sue Bennett Colleges; Methodist Hospital of Kentucky (Pikeville); Good Samaritan Hospital; The Methodist Home; Wesley Foundations at Morehead University, Berea College, Eastern University, University of Kentucky, Western University; Asbury College; Inter-Board Council; Conference Board of Education; Mountain Mission and Millersburg Military Institute.

10. That the General Board of Pensions in Evanston, Illinois be the authorized fiscal Agent for payments of Pensions.
11. That the Council-Director of the Inter-Board Council be the Executive Secretary of the Conference Board of Pensions.
12. That the Conference Treasurer be the Treasurer of the Conference Board of Pensions.
13. That refunds received from HMEP be used to pay the portion amounts for active ministers enrolled by 1966-67.

Report of the Treasurer

1. See Financial Exhibit, in the Conference Journal (See Financial Exhibit). In addition —with this report we are printing an accounting of the money which the General Board of Pensions has received from our conference the past year.

REPORT No. 17

MINISTERS' RETIREMENT BROTHERHOOD

The MINISTERS' RETIREMENT BROTHERHOOD has continued to live up to its purpose and charter, though the period of transition of our conference entering the Ministers Reserve Pension Fund has necessitated some additional planning and work. Some delay in this work could not be avoided and every effort has been made to follow the goal set out from the inception of the Brotherhood—that of promoting the conference pension interests.

Again the close and harmonious relationships with the Conference Board of Pensions has been that which has enabled the continuing program of the Kentucky Conference to succeed. All available monies belonging to the Brotherhood have been turned over to the General Board of Pensions of The Methodist Church towards the entrance of our annual conference into the Ministers Reserve Pension Fund.

The Brotherhood must continue to look after those holdings and long term investments that cannot immediately be turned over to the General Board of Pensions. Too, some of these investments are those that are sound but will not be accepted by the General Board at this time. Whenever any payments are made on these holdings, such funds will be sent to the General Board of Pensions and under the direction of the Conference Board of Pensions, they will be used towards the amortization of the indebtedness of our conference—brought about by our entrance into the Ministers Reserve Pension Fund.

There are legal and moral responsibilities involved in such an undertaking and while the Brotherhood has always followed the *Discipline* of the church, we have also had to follow Kentucky State law in caring for the work of the group and the conference.

The Audited Report of our Treasurer will show the holdings that remain under the care of the Brotherhood and this report is in the process of preparation and will be ready to file with the Conference Secretary at the annual conference session. As previously stated, any or all amounts collected as a return on the holdings of the Brotherhood will be sent to the General Board of Pensions, to be used for the benefit of the Kentucky Conference Pension Interests.

Any and all contributions made to the group and all dues collected will go into the regular channels of the Pension Interests. We urge the men to continue their support of this organization and to remember that they are a part of same and together we have made the forward strides that have benefitted the entire conference.

We ask an interest in the prayers of all during these days of transition and advancement by our group and by the Kentucky Annual Conference.

(The report of the Treasurer is found in Exhibit H.)

Supplement

The MINISTERS' RETIREMENT BROTHERHOOD is a body corporate with the right to perpetual existence and since its inception has been working according to the *Discipline* of The Methodist Church. The Brotherhood has been named Trustee to administer Trusts and can do indefinitely. There are many estates (dozens) whose funds are included in the one and one-half million dollars plus that we have transferred to the General Board of Pensions as a deposit on the entrance of the Kentucky Annual Conference into the Ministers Reserve Pension Fund of The Methodist Church.

The proceeds from such funds are devoted to the sustenance of the superannuated preachers, their widows and orphans, which was a condition imposed by all of these bequests, wills and contributions. In many cases this trust continues indefinitely and each Trust Fund must have a Trustee. If the Brotherhood should cease to exist as a corporate entity the law would require the annual conference to go to court where the wills are probated and to have some individual appointed as Trustee.

More than 15 years ago at a joint meeting of the Board of Managers of the MINISTERS' RETIREMENT BROTHERHOOD and the Conference Board of Pensions it was unanimously proposed and agreed that is as much as the Brotherhood was named as recipient or Trustee for so many of these estates and charged with the duty of seeing that the increment was used for the benefit of the superannuated preachers, their widows and orphans, that it was necessary for the Ministers' Retirement Brotherhood to continue in existence as a corporation but to prevent overlapping services with the Conference Board of Pensions—the Ministers' Retirement Brotherhood should be a holding

company only and that all income should be turned over to the Conference Board of Pensions for distribution. This was agreed upon by both groups, was presented to the next session of the annual conference as a joint resolution and was passed without a dissenting vote.

The Ministers' Retirement Brotherhood has distributed more than one and one-half million dollars by investing same with the General Board of Pensions of The Methodist Church, whose rate of interest is in excess of 5% and this has been done at a cost chargeable against the Trust Funds, so transferred, at a cost of approximately \$1,000.00.

We have had no attorney's fees, our former treasurer, F. W. Galloway made no charge for his services and the only expense has been for clerical work on the part of Mrs. V. W. Owens—which is a very nominal cost considering the great amount of work that had to be done in making this transfer. Too, many have contributed their time and efforts and have even paid their own expenses to various meetings that this work might be consumated.

This has been possible only through the closest of cooperation between the Board of Pensions and the Brotherhood of the Kentucky Conference—a spirit that has never failed for an instant and through a wholly and loyal devotion and interest on the part of both groups.

A contradiction now exists in the Brotherhood due to a provision that exists in our Articles of Incorporation and Charter, that requires the payment of \$5.00 dues per year as a condition of membership in the Brotherhood. The Annual Conference has enacted the provision that each member of the conference must be a member of the Brotherhood, and the General Conference legislation is that each minister shall contribute a maximum of 3% of his salary or the average conference salary, whichever is the smallest. Due to the fact that this is contrary to the rule of the conference that only one assessment can be made against his salary, this has created an impossible situation for the Secretary of the Brotherhood, who is charged with the duty of collecting this \$5.00, which is now legally uncollectable, wherefore it is moved that this conference amend the Articles of Incorporation of the MINISTERS' RETIREMENT BROTHERHOOD of the Kentucky Annual Conference by eliminating Section 2, Article II of the Articles of Incorporation, which eliminates the payment of the \$5.00 annual dues—this to be effective as and when passed and adopted. The list of dues unpaid will be published in the 1968 Journal and liens will be levied against the Pensions.

The funds that now exist in the hands of the Brotherhood for the purpose of use in emergency to any member, or the family of any member of this conference, for their immediate relief, shall be dedicated and used for this purpose only, until exhausted. This because of the fact that dues paid in the past have created the fund and it must be used for such benefits.

REPORT No. 18

KENTUCKY COUNCIL OF CHURCHES

The year of 1966 was a time of new beginnings for the Kentucky Council of Churches. The Council observed the centennial of organized interchurch work in Kentucky in 1965 and felt it appropriate to begin a new century of cooperative work by reorganizing both its structure and its program.

A special Assembly on June 2 approved a new Constitution and By-Laws which became operative immediately. Under the restructured organization the Council should be able to function with fewer meetings of departments, committees, etc. thus reducing demands on time as well as costs. Greater denominational involvement is now required and it is hoped that this will lead to complete denominational responsibility for Council finances at an early date.

Because of the transition from the former to the new program structure some activities of previous years were not included in the Council's work in 1966. However, this did not seriously handicap the total program. The *migrant work* continued to be one of the important items carried on by the Council. The work of the *Institutions Department* was heavier than in previous years. Significant advances were made in this area. The *State Fair* both was promoted in cooperation with the Louisville Area Council of Churches and the Louisville Council of Church Women United. An effective program of worship was held at the Fair with the aid of the Episcopal Diocese of Kentucky. The Rev. Orus Rupe, minister of the United Presbyterian Church of Ezel, was named "Rural Minister of the Year for 1966" and was presented with a plaque at the worship service. There were special activities in religious radio and television, international relations and work with the Legislature. A very fine Pastors' Conference for West Kentucky was held at Owensboro on November 15.

The Christian Education Department promoted a most successful consultation on Christian Vocations in February held at the Cedarmore Baptist Assembly grounds near New Castle and a conference on religion and public education at the Sheraton Hotel, Louisville.

The Committee on Faith and Order held a number of special planning meetings looking forward to a state-wide consultation on Faith and Order to be held at Louisville Presbyterian Seminary, May 15-18, 1967. Two Roman Catholic observers have now been added to this Committee which is under the chairmanship of Dr. Paul Crow, Jr., of Lexington Theological Seminary.

A matter of considerable consequence for the future of the Council was the payment of the mortgage of \$12,000.00 on its headquarters building. This was made possible by a gift in that amount by Col. Harland D. Sanders whose initial gift of \$10,000.00 two years previous had made possible the purchase of the building.

Another matter of real encouragement was the coming into Council membership of the Lutheran Church in America. This fine group will add much to the corporate witness of eighteen denominational judicatories now affiliated with the Council.

The Kentucky Council of Churches is indeed grateful to the Kentucky Annual Conference of The Methodist Church for continued participation and support. We are especially grateful to Bishop Roy H. Short for his interest and encouragement, to Dr. Frank King of the Interboard Council and to Dr. Albert Sweazy—the Bishop's personal representative to the Executive Board—as well as to the many persons, both lay and clerical, who have contributed to the progress of this cooperative ministry of the Church. Contribution of the Conference to the Council budget in 1966 was \$1,950.00.

The following is a summary of the Council's income and expenditures from January 1 through December 31, 1966.

HISTORICAL SOCIETY

Your Board of Managers for the Historical Society reports that the library has not as yet been permanently located. It is still in the old building at the Good Samaritan Hospital, 152 Maxwell Street, Lexington. We have assisted several in finding needed information during the year. One was assisted in finding some historical facts about Union College. A student was assisted in finding materials concerning the life of a deceased minister. These are but two examples of assistance given.

We have had 2 locations offered us for the library: (1) In the Interboard Council building, 200 West Second Street, Lexington, Ky. (2) By Asbury Seminary, Wilmore, Ky.

Rev. D. C. Snyder, Rev. Charles T. Pinkston, and Rev. John K. Hicks were the delegates to the Bi-Centennial Celebration of American Methodism and the Southeastern Jurisdictional Society meeting in Baltimore, Maryland, April 21-24, 1966. The following persons from Kentucky also attended: Bishop and Mrs. Roy H. Short, Dr. Russell R. Patton, Dr. Frank B. Stanger, Mr. John Will Holbrook, Mrs. John Will Holbrook, Mrs. Charles Pinkston, Steve Pinkston. All report this to have been one of the great experiences of their lives and express their deepest gratitude to the churches and Conference for having given such an opportunity.

The Conference Historical Society makes the following recommendations:

1. That the library of the Conference Historical Society be located at the Interboard Council office in Lexington.
2. That our committee work with the owners of the Bethel Academy site in seeking to secure these sacred grounds for our Conference.

The Historical Society in observance of the Bicentennial Celebration of Methodism (200 years) sold at Conference last year one hundred twenty-seven (127) bronze medallions, twenty (20) Methodist historical plates and several sets of the Early Methodism Series I, II, III. One of each of these articles were added to our Conference library this year.

We still urge each church to send in the history of their church.

REPORT No. 20

DEACONESS BOARD

The primary concern of the Kentucky Conference Deaconess Board is interpretation of the office of deaconess to the total church and the recruitment of women who are challenged to dedicate their lives to service in the church as deaconesses.

Thus the Board is working to insure that all possible avenues be used to inform young women in the church of this vocational choice. Plans are being made to make it possible to have a deaconess as a resource person at the summer Youth Institute.

The Board is seeking to work more effectively in close harmony with the conference Commission on Christian Vocations.

There are five active deaconesses working in the conference. One deaconess attended the Southeastern Jurisdiction Deaconess Association meeting in Nashville, Tennessee in February.

"Miss Anne McKenzie, Church and Community Worker in the Holston Conference, was the speaker for the annual meeting of the Deaconess Board. She presented the Deaconess and her work in a most outstanding and challenging way. Miss McKenzie has been chosen by the Methodist Commission on Deaconess Work to participate in an international deaconess exchange program between the United States and the Philippines from September 1967 to August 1968."

Officers of the Deaconess Board for 1967-68 are: President—Mrs. Valis Hill; Vice President—Mrs. John Holbrook; Secretary—Mrs. Ray Litton.

CRUSADE FOR EDUCATION AND CHURCH EXTENSION

The Crusade Office was closed as of December 31, 1966. On a goal of \$4,000,000 the two conferences pledged \$2,974,512. A financial report as of November 29, 1966, showed that of the amount pledged \$1,974,695.08 had been paid and \$223,842.40 had been cancelled. \$1,800,000 had been received and distributed as follows:

Kentucky Wesleyan College	\$ 450,000.00
Union College	450,000.00
Lindsey Wilson College	225,000.00
Wesley Foundations	135,000.00
Kentucky Conf. Church Extension	253,959.60
Louisville Conf. Church Extension	286,040.40

TOTAL	\$1,800,000.00
Balance in the bank	\$ 95,953.56

On December 28, 1966 another distribution of \$100,000 was made making the total paid on pledges \$2,074,695.08.

The Crusade is a tremendous success story for our conferences. As a result of it our colleges have been strengthened and undergirded, our Wesley Foundations have been provided with facilities which will enable them to provide a more effective and meaningful campus ministry, sites have been purchased for new churches and new churches and educational facilities have been constructed. These fine achievements and what they will mean to the church and people would have been impossible without the Crusade.

Payments are still being received on unpaid pledges. Since January 1, 1967, \$2,581.75 has been received. Those, for one reason or another, who were unable to pay their pledge and still want to take care of this obligation may do so by sending payment to Dr. Gilbert P. Robertson, 1115 South Fourth St., Louisville, Ky. 40203, who has been serving as treasurer since January 1, 1966. (See Financial Exhibit B for report to date.)

REPORT No. 30

RESOLUTIONS

WHEREAS, the 147th session of the Kentucky Annual Conference assembled in Richmond, Kentucky, has been in purposeful order and dedication to the business of the Church, and has responded effectively under the able leadership of Bishop Roy H. Short.

Then therefore be it resolved, that we express genuinely our delight and appreciation to the personnel and facilities of Eastern Kentucky University and especially to its amazingly effective president Dr. Robert R. Martin, all of whom and all of which have gone the second mile to prepare and maintain for us commodious and comfortable surroundings in which to engage in the relevancies of the spirit and business of Christianity. We are indeed grateful also to Dr. Harold W. Dorsey, host superintendent; to the Rev. Robert J. Scott, host minister, and the cheerful representatives of First Methodist Church of Richmond, who have so pleasantly welcomed us and provided for us every courtesy.

Be it further resolved that we note especially our appreciation to the Boards Commission, and Committees who thought enough of the pressing issues immediately upon our being in order as a delegated body. This has helped to provide a "new look" with which we consecrate ourselves in the direction of eternal values in the realm of the human and spiritual.

And be it further resolved that we express our feeling of warmth for the "Christian family" atmosphere supplied and supported by the presence of our delightful "first lady," Mrs. Short, and the wives of the members of the cabinet, who by their faithful interest and support through the long session have provided some of "life's extras" in the pursuit of the aims and objective of our Conference.

Be it further resolved that we further express our sincere thanks and appreciation for the many expressions of truth, warmth and brotherhood, from our conference preacher, Dr. Charles E. Whittle; the representative of the Evangelical and United Brethren, Dr. E. T. Ehresman; Brother and Mrs. Louis H. Fields of the Tennessee-Kentucky Conference; Mrs. Earl T. Curry in behalf of our Woman's Society of Christian Service; to Dr. Jack Tremaine and the Rev. Ted Nicholas we are grateful for the service of melody and harmony in the music of the conference to the Publishing House; to the TRAFICO Service for tapes and P.A. coverage; to the newspapers, and to Rev. Walter Garriott and his up-to-date Conferencegram staff to all of these and many more we give appreciation to an inspiring Conference.

Respectfully submitted,
J. H. IGLEHEART

ACCOUNTANTS' CERTIFICATES

Gentlemen:

We have examined the statements of cash receipts and disbursements of the Louisville Area Public Relations Fund to include both the treasurer's account and the director's office account, for the period June 1, 1965 to September 22, 1966, inclusive. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying statements of cash receipts and disbursements by accounts present fairly the recorded cash transactions of the Louisville Area Public Relations Fund for the period June 1, 1965 to September 22, 1966, on a basis consistent with that of the preceding year.

Respectfully submitted,

COMPTON AND KOTTKE
Louisville, Kentucky

September 22, 1966

I have examined the financial books and records of the Ministers Retirement Brotherhood, Kentucky Annual Conference of the Methodist Church, Mrs. V. W. Owens, Treasurer, for the period May 1, 1966 to May 1, 1967. The investments were examined at the State National Bank, Maysville, Kentucky, on May 8, 1967.

In my opinion, the accompanying Treasurer's Report presents fairly the receipts and disbursements for the period ended May 1, 1967, on a basis consistent with that of the preceding year.

Respectfully submitted,

GEORGE H. WILLIAMS, JR.
Certified Public Accountant

MEMOIRS

J. RAYMOND EARLYWINE

The earthly ministry of the Reverend J. Raymond Earlywine came to an end on July 18, 1966. Brother Earlywine had entered the ministry of the Methodist Church in 1952 when he was appointed to our church at South Portsmouth, Kentucky where he served for ten years. In 1962 he became the pastor of the Melrose Methodist Church in Worthington, Kentucky, and served this church until illness prevented him from continuing his work in June, of this past year.

Brother Earlywine was born May 22, 1913 in Bourbon County, Kentucky. His parents William H. and Effie Smith Earlywine were faithful members of the Herrington Chapel Methodist Church near Paris, and reared their children in the fear, love and admonition of the Lord. In addition to his Father, two brothers, Everett Earlywine of Paris and Earl Earlywine of Lexington along with one sister, Mrs. William Smith of Clintonville, Kentucky, survive.

On August 2, 1953 Brother Raymond was married to Elsie Sanders of South Portsmouth, Kentucky. It was this writer's high honor to serve as "best man" for the wedding and the Rev. Paul Gillespie then District Superintendent of the Maysville District, performed the ceremony. This marriage was to bring Brother Raymond the love, affection, encouragement and care that made possible his brief ministry in the Methodist Church. Two foster sons, Gordon Larue Sanders of Troy, Ohio and Thomas Perry Sanders of Fort Lewis, Washington, along with three precious grandchildren brought great happiness and love to this good man's life. In addition to these Mrs. Blanche Sanders, grandmother of his foster sons was an inspiration and a spiritual counter-part in all of his labors of love.

Like St. Paul of old, Brother Earlywine carried in his body a "thorn in the flesh." For over 39 years his body was never completely free of pain. On more than one occasion he had prayed for divine healing but like St. Paul, our Lord would say to him, "My grace is sufficient." His grace was sufficient and to the very end he endured the pain that tortured his body as a "good soldier of Jesus Christ."

To those of us who knew him best Raymond Earlywine was a saint who had lived among us. A great man of prayer and one who gave testimony of a deeper experience that had brought him into a close communion with his Saviour. He loved the Methodist Church and fervently preached the "heart-warming experience" of its founder.

His library reflected the emphasis of his own ministry as he had been challenged and motivated by the great Christian authors who had written with the warm heart and with an emphasis on the "deeper life." E. Stanley Jones, W. E. Sangster, Clovis Chappell, Charles Finney, Phillip Brooks, Toyohiko Kagawa, Charles Spurgeon were among the spiritual giants who moulded his own ministry.

No man could have had a better friend, known a more dedicated and consecrated saint than Raymond Earlywine. To those of us who were with him near the end we shall always cherish those last words: "I love the Lord . . . you know I know the Lord Lord . . . I will see you in the morning," and "Yes, praise God, Brother Earlywine, we will see you in the morning."

CARL F. FRODERMAN

Brother Carl F. Froderman was pre-eminently as pastor evangelist. He felt an impelling compulsion to preach the gospel with compassion and power. He was born February 21, 1899 at Centerpoint, Indiana. He experienced the saving grace of the Lord Jesus Christ in converting power when he was nineteen years of age. His Christian experience was something that was very real and constantly growing. He once said in my presence during a particular crisis in his ministry that "no matter what has been done, nothing shall disturb the peace that I have in my heart."

He believed that a call to preach was a call to prepare to preach. He was graduated from both Asbury College and Asbury Theological Seminary.

Brother Froderman loved people without distinction. He believed that since Christ died for all, all could become children of the Heavenly Father through faith in the Lord Jesus Christ. He was a thorough pastor in his visitation. He had a feeling of responsibility for the people of the entire community. When he was pastor of Mary Helen he distributed the Upper Room to every family in the community.

He was admitted on trial in the Kentucky Conference in 1932 and into full connection in 1934. He was ordained as a deacon in 1935 and as an elder in 1937. He gave faithful pastoral service to the following charges in the Kentucky Conference: Layton-Conrey-Eggleston Charge, Midway, Louisa First, and Mary Helen. He served Second Church Ashland twice—1940-42 and 1948-53. During his first pastorate there he built the new parsonage. In his second pastorate he built the new educational plant and recreation building.

He served his church and country as a Chaplain in the armed forces in New Guinea from 1942 to 1946.

In 1953 he felt the call to enter the field of evangelism. He was appointed as an approved evangelist that year. Later he made an evangelistic tour of several overseas countries including a three months tour in South America. His zeal in evangelism and missionary interest led to his establishment of the World Gospel Church in Terre Haute, Indiana. He continued his evangelistic and missionary work until his retirement in 1964. His passing from the Church Militant to the Church Triumphant was September 7, 1966 at Centerpoint, Indiana. Funeral services were held in the World Gospel Church, Terre Haute, Indiana. The Rev. Don Boes, Methodist minister at Centerpoint brought the message. Burial was in the Grimes Cemetery near the place of his birth.

The following loved ones look forward to meeting with him in "The Land that is fairer than Day." Surviving are Mrs. Jessie Froderman, the widow: Two daughters, Mrs. Doyle Clark, Findlay, Ohio, and Mrs. June Bradley, Ashland, Kentucky. A son, Dr. Stanley Froderman, a Brazil surgeon; two sisters, Mrs. Edna Mitchell, Centerpoint, Indiana, and Mrs. Thelma Clark, Brazil, Indiana; two brothers, G. Harvey Froderman, Terre Haute, Indiana and Roy Cory Froderman of Cory, Indiana, and thirteen grandchildren and three great-grandchildren.

In the language of the apostle Paul he was a "Good Minister of Jesus Christ." "Show me the man who, in the midst of a community however secularized in manners, can compel it to think with him, can kindle its enthusiasm, revive its faith, cleanse its passions, purify its ambitions, and give steadfastness to its will, and I will show you the real master of society, no matter what party may nominally hold the reigns of government, no matter what person may ostensibly hold the place of authority." (Silvester Horne—*Romance of Preaching*).

RUSSELL R. PATTON

FRED PRUITT JONES

Rev. Fred Pruitt Jones, son of the late Rev. and Mrs. Fred B. Jones, was born in Moreland, Kentucky, October 24, 1898. He was united in marriage to Beulah M. Cotton, June 12, 1922 at the home of her parents in Lexington, Kentucky. Three children were born to them—two of whom survive. They are Mrs. George L. Cunningham of Tampa, Florida and Freddie G. Jones of Jacksonville, Florida. Freddie's twin sister lived only a short time. After a career in the business world for twelve years, Rev. Jones felt the call to the ministry in 1932. Thus at the age of 34 he entered Asbury College to prepare himself for the Christian service.

He was admitted to the Kentucky Annual Conference on trial in 1936. He was admitted into full connection and ordained deacon in 1938. He was ordained elder in 1940. After serving the Hutchinson-Ruddles Mills charge four years and the Sardis Church three years, he went into the Chaplaincy of the United States Air Force in 1943. He served as a Chaplain in the Air Force Bases in Florida, Germany, France and the Panama Canal Zone. He and his wife traveled together, serving in this capacity. Chaplain Jones loved to work with the men in the military service and rendered a great Christian service to many away from their home. He lost one eye, because of glaucoma in 1953. He continued as a Chaplain for four more years, when he lost the other eye for the same reason. Thus, he was forced to retire from active duty in May 1957. After that time he and his wife made their home in Tampa, Florida. Many times he was called on to preach or perform various Christian Services in the Tampa Community. Every year he looked forward to attending the Camp Meeting in Wilmore, Kentucky. Though he was unable to see, he could hear and visualize the many people and places he had known before. Still making plans for another trip to Wilmore Camp Meeting, he was stricken suddenly in downtown Tampa while talking to the garage man about checking over his car. Death came quickly and he was welcomed into that Heavenly Home on June 6, 1966. His funeral service was conducted in the Wilmore Methodist

Church by G. W. Townsend, assisted by W. P. Davis, David Seamands and Z. T. Johnson. His body was laid to rest in the Wilmore Cemetery.

G. W. TOWNSEND

HARRY A. MASTIN

Brother Mastin was born in Nicholas County, Kentucky, April 16, 1883. He died at his home in Somerset, Kentucky on June 11, 1966.

Brother Mastin was converted at the age of thirty-seven in the Methodist Church at Stanford, Kentucky. Soon after his conversion he felt the call to preach. His District Superintendent, Dr. John O. Gross, recognized his ability and was instrumental in having him assigned as a supply pastor in the conference year of 1927. Eighty-seven people were converted under his preaching that year. During his active ministry as a pastor he held ninety-two revivals. He did not keep a record of those who were converted but the number would comprise a long list. Several young men were called to preach under his ministry.

Brother Mastin probably knew as much about the Bishops and District Superintendents of the Methodist Church as any person in the Church. He received appointments from ten of our bishops and served under eighteen District Superintendents. He had a remarkable record as a pastor and always regretted that he was not a full member of the Kentucky Conference. His formal education did not permit him to become a member of the conference. He loved his Lord supremely and he loved the Methodist Church. Up until the time of his illness two years ago he never missed an annual conference and attended pastors' school as long as he was able to go.

Reverend Mastin is survived by his wife Myrtle and daughter Christine Helen Hicks and two step-daughters. Mrs. Mastin is a local preacher and often preached for her husband.

Brother Mastin planned his funeral which was conducted by the pastor of the Somerset Church, C. Nevil White, assisted by Leonard Sears. It was fitting that one of the songs selected was "When I Have Gone The Last Mile Of The Way" because this dear old circuit rider had faithfully travelled many miles in service for his Lord.

CARROLL PERCIVAL PILOW

"Rejoice, and be exceeding glad . . . Rejoice, and be exceeding glad . . ."

This challenge from the Sermon on the Mount was one of the last utterances of Carroll Percival Pilow, 89, who died Wednesday, April 5, at the Carroll County Memorial Hospital in Carrollton. He repeated the beloved words softly again and again while awaiting surgery for a broken hip, suffered in a fall the preceding Monday. He was biding his time patiently, and reading from his well-worn Testament. When he came to Matthew 5:12, he seemed as thrilled with the promise of a great reward. Rejoicing was a way of life for him. He always conveyed an attitude of happiness, whatever the day brought forth. And as a scholar, teacher, and good neighbor he spent the greater part of a century in happy witness of the author of the Beatitudes.

Brother Pilow was born in Carroll County, near English, December 2, 1877. He attended local schools and was called to the ministry at an early age. He furthered his education at Asbury College, Wilmore, where he was graduated in 1902. He married Alice Garriott, also of Carroll County, March 18, 1903. She preceded him in death on November 29, 1952. They are survived by an only child, Miss Mary Emma Pilow, presently an English teacher at Trimble County High School, Bedford. A nephew, Lawson Adcock, of near Campbellsburg, lived with them 11 years as a young boy.

A member of the Kentucky Methodist Conference 65 years, Brother Pilow spent 45 years in active pastorates in Northern and Eastern Kentucky. During his ministry he pastored every Methodist church in Trimble County except two and had conducted services in both of them. They include the churches at Bedford, Milton, Mt. Carmel, Mt. Pleasant, Union Grove, Bethel, Hickory Grove, and Wesley Chapel.

Other churches he pastored in Northern and Eastern Kentucky included Frenchburg, Pittsburg, Corbin, East Maysville-Concord, Petersburg, New Columbus, Gratz, Hughes Chapel, Eminence, Hazard, Falmouth, Sharpsburg-Bethel, Northville, Mackville, Salvisa, Jenkins, California, Grassy Lick, and Camargo. He served the Bedford Church for five years and Milton four years. He was retired August 30, 1947, and retired to Bedford to make his home. Following his retirement, he did much substitute preaching for Methodist ministers in Trimble and adjoining counties.

Always happy in his calling, he laughed and made friends easily. Yet he was a serious Bible scholar and spent countless hours in research and study of religious literature. He tempered his work and study with an ardent love for the out-of-doors, particularly gardening.

Highly respected for his Bible teaching, his friendly counsel, his devotion to his family, and his gardening "know-how," Brother Pilow lived the long, useful life of a gentle man who walked in faith, and strengthened the courage and belief of others.

From February 21 of this year until April 5, he suffered several light strokes. His surgery for the broken hip was successful but he died of a stroke the next day.

A memorial service was conducted for him at the Bedford Methodist Church April 8, 1967 by R. W. McCloud, Graham Abbott, and C. L. Cooper. Graveside services were in charge of L. A. Garriott, a brother-in-law; W. E. Garriott, and W. W. Garriott, nephews. Burial was in Bedford IOOF Cemetery.

Brother Pilow's star has fallen. Yet, ever near us we can feel his spirit, and yes, we can with him, "Rejoice, and be exceeding glad. . . ." For great is his reward in heaven.

C. L. COOPER

FRANK D. SWANSON

The Reverend Frank D. Swanson was born in Waitsville, West Virginia on June 24, 1898. He died suddenly at his home in California, Kentucky on April 5, 1967. He was the son of Samuel and Grace Swanson. On August 24, 1922 he was married to Mildred L. Droege who survives him. To this union there were born four sons: Paul, James, Samuel and John Fletcher, who died in infancy. Other survivors are ten grandchildren and one brother, G. W. Swanson of Fairfield, Va.

Brother Swanson received his Local Preacher's License from the Rockingham District of the Baltimore Conference in 1919. He later came to Kentucky, attended Asbury College serving as Supply Pastor and also was engaged in evangelistic work for a short time. In 1927 he joined the Kentucky Conference and served it faithfully until the end of his earthly ministry. Some of the charges served were Hinton, Shelby Circuit, Eminence, Falmouth, Ludlow, Russell First, Asbury, and Tower Church in Dayton, from which he retired in 1964. He was supplying the Oakland Church at the time of his death. Brother Swanson also served as Conference Secretary of Evangelism for several years. If he had lived until August, he would have celebrated his 50th anniversary as a Christian. He was sincere, brotherly, earnest, and was truly one of God's warriors. Many people were influenced through his ministry and many shall rise up to call him blessed.

He loved God. Not only did he preach the word of God, he "showed" those about him what it meant to be a Christian by the way he lived. He will long be remembered for his sincere interest in young people—whether it was that special word of encouragement to the young minister serving his first church or answering children's questions about church membership. He was never too busy to point out to a child the many wonders of God; such as the various kinds of wild flowers growing in a field, the names of trees growing beside the road or to name the different birds he fed all year, some of which ate from his hand. What greater tribute to any minister than to have a fourteen-year-old granddaughter say, "I know grandpa Swanson was a Christian by the way he lived. I never heard him say a word against anyone." The companionship of his family was indeed beautiful. One of the daughters-in-law paid this tribute, "Dad has left us a wonderful legacy."

He loved his church; no minister ever gave himself more devotedly and actively to the task of serving his church as did this man of God. He loved life. Life to him was a glowing experience. Because of this he lived abundantly. The abundant life to him was loving God with all his heart, loving his fellowmen, serving them in the fear of God, and making friends by being a friend.

Brother Swanson's concern for all people was evidenced by his accompanying a shipload of cattle to war-ravaged Poland in 1947. He went on this relief mission as a crew member and unofficial Chaplain. During this trip he was able to visit Sweden, the country of his father's birth.

Homer L. Moore conducted the last rites at Carthage Methodist Church on April 8, 1967. He was assisted by the Rev. John R. Whealdon who joined the conference the same year as Brother Swanson and by Reverend Robert Hart, who was a son in the gospel, having dedicated his life to Christ and answered the call to preach under the

ministry of Brother Swanson when he was pastor at Seco. He was laid to rest in the Carthage Cemetery to await the resurrection morning. "The Lord gave, the Lord hath taken away; blessed be the name of the Lord." "Blessed are they who die in the Lord that they may rest from their labors."

HOMER L. MOORE

MRS. R. T. BROWN

Mrs. Ruby Payne Brown was born at Shelbyville, Kentucky, on February 17, 1888. She was the daughter of the late James Samuel and Margaret Ann (Figg) Payne. Early Saturday morning, October 1, 1966, she departed this life in the Crestview Convalescent Home in Shelbyville, after an illness of two years.

She was the widow of the late Rev. Dr. R. T. Brown, former pastor of Methodist Churches in Kentucky and West Virginia, and one-time President of Morris Harvey College.

After receiving her education in the public schools of Kentucky she graduated from a business college in Louisville. Active in youth work, she served as District President of the Epworth League in Louisville for nine years.

Mrs. Brown served two terms as President of the Kentucky Conference Woman's Society of Christian Service, and filled many other positions in that organization through the years. Also she served as Vice President of the West Virginia Conference Woman's Missionary Society for five years, and as Secretary of Promotion of the Woman's Society of Christian Service in the Kentucky Conference for two years. At the time of her passing she was a loyal and influential member of the Park Methodist Church in Lexington.

Three times this true servant of God was a delegate to the General and Jurisdictional Conferences of The Methodist Church. Other positions included being a member of the Conference Board of Temperance, the Board of Missions, and a member of the Board of Missions of the Southeastern Jurisdiction.

She served as assistant to the Pastor of the First Methodist Church in Somerset for three years, and as Housemother at Kentucky Wesleyan College at Winchester for two years. Later she was President of the United Church Women of Kentucky for four years, President of the United Church Women of Kentucky for four years, and President of the Lexington Federation of United Church Women for a similar period.

Mrs. Brown is listed in three biographical volumes: "Prominent Personalities in Methodism," "Who's Who in Methodism," and "Who's Who of American Women."

She is survived by two nephews: John Needy, Charlotte, North Carolina, and Robert Needy, Seattle, Washington.

Memorial services were conducted in the Shannon Funeral Home in Shelbyville, October 3, 1966 by Floyd D. Rose, J. T. Harmon, W. E. Hisle and W. H. Poore. Burial was in the Shelbyville Cemetery.

Truly the devotion of this fervent Christian, able leader, and untiring worker in Gods service can well be summed up in these words of an old hymn which she loved so much:

"To serve the present age,
My calling to fulfill,
Oh, may it all my powers engage
To do my Master's will."

FLOYD D. ROSE

MRS. ALLIE WILSON CLARK

Three years after the Reverend Minor S. Clark was licensed to preach, and in the same year that he joined the Kentucky Conference of the Methodist Episcopal Church, South, he married Miss Allie Wilson of Moorefield, Kentucky. From that time until September 1936, when Mr. Clark retired from the active ministry, she graced the parsonages of a number of outstanding churches in the Kentucky Conference. Mrs. Clark was born August 24, 1873, in Moorefield, Kentucky and was the daughter of the late George and Katherine Templeman Wilson. Death came on December 12, 1966, at the Crestview Convalescent Home in Shelbyville, Kentucky.

When the late Bishop U. V. W. Darlington spoke of her he said, "Mrs. Clark has always been the all-but-perfect wife of a preacher whose record is outstanding. Her life was without reproach through all these years. As a homemaker and a preacher's

helper she has had few equals. Their children shall rise up and call them both blessed."

Truly she was a Christian lady. She was not an aggressive, demanding person; but was quiet and retiring, having a firm faith and strong confidence in God. It was her belief that what God had promised He would perform. She was loved and honored by all who knew her. She loved her Church and worked faithfully for its progress, continuing as a member of the Woman's Society of Christian Service and a loyal supporter of the financial program of the Church until she died. She was always doing deeds of kindness for those about her. She was a devoted mother to her children and they in turn were devoted to their mother. She is survived by three sons, Mr. Claude W. Clark, Harrodsburg, Kentucky; Mr. Chester R. Clark, Orlington, Virginia, and Mr. Roger L. Clark, Danville, Kentucky; three daughters, Mrs. C. A. Stokes, Louisville, Kentucky; Mrs. H. L. Hull, Berea, Kentucky and Miss Katherine Clark, Shelbyville, Kentucky; four grandchildren and eleven great-grandchildren; one sister, Mrs. Luther Holmes, Columbia, South Carolina and one brother, Samuel B. Wilson, St. Petersburg, Florida.

Funeral services were conducted at the Shannon Funeral Home, Shelbyville, Kentucky, by her pastor, the Reverend William E. Hisle. The burial was in the Bagdad Cemetery, Bagdad, Kentucky.

WILLIAM E. HISLE

MRS. AMOS HARMON

Jennie Belle Smith Harmon was born August 3, 1890, the daughter of Mr. William Smith and Mrs. Julia Watson Smith. She was one of eleven children, nine of whom are still living, most of them in Fleming County, Kentucky, their place of birth.

She was united in marriage on January 31, 1914 to Amos Harmon who entered the pastoral ministry in 1940. During the 27 years of their team ministry Rev. Harmon describes her as "the long arm" of their pastoral service.

In 1964 Rev. and Mrs. Harmon celebrated their 50th Wedding Anniversary at the Shiloh Methodist Church on the Shiloh-Goddard Charge of which he is pastor.

The Harmones have one son, the Reverend Doctor James True Harmon, pastor of Park Methodist Church in Lexington, Kentucky. Mr. James True Harmon, Jr. of Louisville is the only grandchild and the two surviving great-grandchildren are James True III and Lise.

Mrs. Harmon was affectionately known by her family and friends as "Miss Jennie." She was converted in 1930 and served with her husband in faithful and sacrificial service in the pastoral ministry. Rev. Harmon described his life companion as "the most completely unselfish person" he had ever known.

"Miss Jennie" was a quiet and unassuming person with a depth of dedication and devotion seldom observed. Her favorite hymn was "Amazing Grace." She explained the last measure of her physical strength in faithful and devoted attendance at her husband's bedside while he was a patient in Good Samaritan Hospital in Lexington, Kentucky. Having bid him an affectionate "good-night" she left his side soon to occupy a room in the same hospital where on March 6, 1967 God called her home. Her funeral service was conducted by Dr. Robert L. Anderson, her district superintendent, at the McClure Funeral Home, Flemingsburg and her body was laid to rest in the Fleming County Cemetery.

ROBERT L. ANDERSON

MRS. CLARENCE N. HELPHINSTINE

Mrs. Lula Irvin Helphinstine, wife of the Rev. Clarence N. Helphinstine of Wilmore, Kentucky passed from this life to receive her great reward on December 28, 1966, after a long illness.

She was born Lula Irvin Umstadt on February 24, 1894, at Fairview, in Fleming County, Kentucky. At the age of 13 years, she joined the Fairview Christian Church where she remained a member until 1940. Then Mrs. Helphinstine became a member of The Methodist Church, when her companion was called into the ministry.

In November 20, 1916, Mr. and Mrs. Helphinstine were united in marriage. To this union four children were born: Mrs. Imogene White, Cincinnati, Ohio; Mrs. Helen D. Day, Miamisburg, Ohio; Mrs. Anne H. Moody, Owingsville, Kentucky; and Mr. E. Tipton Helphinstine, Cincinnati, Ohio.

The Rev. and Mrs. Helphinstine began their ministry while he was a student pastor of Lanes Chapel serving there for fourteen months. The next three years were spent at

the Brodhead Methodist Church. They entered the full-time ministry in 1947 at Blue Diamond, Kentucky. Other appointments included East Bernstadt; then one year in The Western North Carolina Conference; then back to Baxter Methodist Church; Carthage Methodist Church in the Covington District, where they retired from active service.

She was a dedicated Christian—one of God's elect women; a faithful and seemingly, tireless servant of the Lord. She served as president of the Woman's Society of Christian Service, taught Sunday School Classes, and help in the Vacation Bible Schools. She invested her energies in labors for Christ, serving the Lord well through The Methodist Church. More important she was a Christian homemaker, one who constantly encouraged her companion as they worked in the service of the King.

Her memorial service was conducted by the Rev. Ernest Otter in the Mt. Tabor Methodist Church on December 31st, at 2:00 p.m. He was assisted by the Rev. Frank Jones and Dr. Robert L. Anderson. Music for the service was provided by Miss Juanita Moore, pianist, and Mr. Milton Henderson, soloist, both from the Carthage Methodist Church. Mr. Henderson sang "Beyond the Sunset" and "My Home Sweet Home."

Mrs. Helphinstine was laid to rest in the Sunnyside Cemetery at the Mt. Tabor Methodist Church, near her early earthly home. To Rev. C. N. Helphinstine, children, grandchildren; to all who knew her, and the Christ she loved so well. Who can say, "She was one who lived valiantly." As Grace Noll Crowell expressed in her poem:

"She who lived valiantly has passed, Why should we grieve,
Why should it break our hearts like this If we believe?
Surely she lives more valiantly then ever before,
Freed, as she is, to move without the weights she bore;
Freed for the sweet adventurings of heavenly days,
Lightened, to go exploring down the glory-ways.
What must those first hours be to her who loved earth so?
How swift, how very swift and glad her feet must go!
She who lived valiantly has passed, why should we grieve?
Why should it break our hearts like this, If we believe?"

Truly a great soldier of the Cross has gone home to be with her Redeemer.

MRS. E. W. ISHMAEL

Mrs. Bertha Godbey Ishmael, widow of Rev. Eugene W. Ishmael, was born in Indiana on September 24, 1883. She was the daughter of the late Josiah J. and Mollie Godbey. Her father was a minister of The Methodist Church for over fifty years. Because of her rich parental training and influence Mrs. Ishmael was also a faithful member and ardent worker in the Church from early youth to the end of her sojourn in the world.

For nearly forty years she and her husband served faithfully and well many churches in the Kentucky Conference, during which they won many souls to Christ and His Service. Always active in Sunday school, women's and youth work, and every phase of church life, Mrs. Ishmael exerted a godly influence on all who knew her.

After a long illness she departed this life at the Good Samaritan Hospital, Lexington, on Saturday, December 17, 1966. Funeral services were conducted by Dr. Floyd D. Rose and Dr. J. T. Harmon on December 19, 1966. Burial was in the Hillcrest Memorial Park, Lexington, Ky.

She is survived by two daughters: Mrs. W. Lyde Pardo, Lexington; and Mrs. H. B. Moores, Flemingsburg; and by four sons: Charles W. Ishmael, Miami, Florida; Leland G. Ishamel, Dickson, Tenn.; Josiah J. Ishmael, Danville; and Estill H. Ishmael, Little Rock, Ark.; and by seven grandchildren.

"Such lives as hers put death to scorn;
She lost our Night to find God's morn."

"Life's Race well run,
Life's battle well won,
Life's Work well done,
And now comes rest."

"Well Done, Thou Good and Faithful Servant—Enter Thou Into the Joy of Thy Lord."

FLOYD D. ROSE

MRS. ROBERT L. SMITH

Anna Lou Kearns Rankin, wife of Robert L. Smith passed away suddenly on February 3, 1967 at the Bourbon County Hospital, Paris, Kentucky, after suffering a cerebral hemorrhage at the home of her daughter, Mrs. Virgil McClain of Paris.

A native of Harrison County, she was born November 8, 1894, the daughter of John H. and Elizabeth Hannah Eckler Kearns. She was a member of the White Oak Methodist Church.

The call of the Master came as the crowning point of a lifetime of witness and service to Christ and His kingdom. As she walked the pathways of life she left no doubts as to her final destination and all who knew her as a dedicated Christian woman, a faithful wife and devoted mother. Her lamp of faith and witness shown through every storm of life and nothing deterred her in her journey to Heaven. Her life brought the picture of Christian living into sharp focus.

Mrs. Smith's greatest desire was to be in a worship service or serving the Lord in some way, and especially the last few years of her life saw the fulfillment of this desire. She lived life to the fullest and even up to the moment of her departure of this life, she filled the world with joy and happiness. Truly she meets all the conditions set forth by the writer of Proverbs, Chapter 31. She walked in Christian beauty and genuine holiness. To know her was to see the reality of Christ a little fuller and richer.

She and Rev. Smith were married March 29, 1965 and her stay in the parsonage was brief but meaningful to all who came and went thru its doors. A kind deed, an encouraging word and a sincere love for all characterized her life in the parsonage.

We mourn the loss of Sister Smith in the knowledge that her soul is receiving its reward with Christ, so her going leaves us not with the feeling of despair or defeat but rather a sincere knowledge that "as she has borne the image of the earthly, she shall bear the image of the heavenly," and further, the often repeated statement "Our loss is heaven's gain" rings clearer than ever in the life of our dear departed.

She is survived by her husband; two daughters, Mrs. Virgil McClain and Mrs. Richard Hill of Paris; two sons, James S. Rankin, Harrisburg, Pennsylvania and John T. Rankin, Columbus, Ohio; two step-daughters, Mrs. Opal Dunaway, Orlando, Florida and Mrs. Dorothy Henson, Norwood, Ohio; two step-sons, Emery O. Smith, Louisville, Kentucky, and Robert L. Smith, Harrison County; two sisters, Mrs. Spencer Watson and Mrs. Avery McClean, Paris, Kentucky; a brother, Herman Kearns, Bourbon County; eight grandchildren; seven great-grandchildren, six step-grandchildren and a step-great grandchild.

Services were conducted by the Rev. Otis Fryman and the Rev. Terry Farris. Burial was in the Jacksonville Cemetery, Bourbon County.

VIII. ROLL OF THE HONORED DEAD

By vote of the 1957 Conference the Secretary was authorized to place in the journal each year a "Roll of the Honored Dead." We have combined the lists of the deceased found in the Methodist Episcopal Church, the Methodist Episcopal Church, South and the Methodist Protestant Church. Of course, all of the information will never be found on all of these men but we hope before the next journal appears to complete as much more as is available through records. Trusting that you will be patient with us until we have compiled all of the available information, I am

Yours sincerely,

LESLIE M. ROGERS, Secretary

D. FULL-TIME SUPPLY PASTORS

To the Approved Supply—please understand that this record here has nothing at all to do with your pension interests. Most of it is from your own statement—it is only a service record as it appears in the *Kentucky Conference Journal*. If you find an error and will report it to me, I will see that it is changed in the next year's *Journal*.
